# INDEPENDENCE DEMANDED BY CATALONIANS

## Proposal Has Overwhelming Majority—Opposition Expected at Madrid

## SPANISH DEPUTIES TO CONSIDER PLAN SOON

BERCELONA, Aug. 3 (AP).—Catalonian officials today made plans to present, as quickly as possible, a statute granting autonomy to the state at the National Assembly in Madrid.

The proposal received overwhelming support in a plebiscite taken Sunday, in which 600,000 persons voted—a record vote for Catalonia. On the basis of official figures, 90 per cent of the voters favored independence.

The belief was expressed that the Catalonian measure would be ready for debate on the floor of the Assembly before the end of the week. The state authorities were silent about what attitude they would take if the proposal were rejected.

**OPPOSITION PREDICTED**

MADRID, Aug. 3 (AP).—Stiff opposition to autonomy for Catalonia when the measure comes before the National Assembly was predicted today by political observers.

Indictalons were the Catalonian Deputies would try to obtain the support of Basque and Gallegan representatives, who have similar aspirations for their districts. Republicans and Socialists were expected to form the opposition.

**APPROVAL NOT GUARANTEED**

The National Government, under the San Sebastian pact, promised only to submit the Catalonian proposal to the Assembly and did not guarantee to approve it.

Many persons believed a compromise would be tried. It was suggested that a statute granting autonomy to Catalonia might be made effective during the trial period.

# FLYING COUPLE IN FAR NORTH

## Lindberghs Believed to Be at Baker Lake—Radios Are Silent

CHURCHILL, Man., Aug. 3 (CP).—Silence of the North Country cast a cloak tonight over the whereabouts of Colonel and Mrs. Charles A. Lindbergh, traversing the Canadian barrens on a holiday aerial jaunt to the Orient. The flying idols of the United States were believed to have landed safely at bleak Baker Lake, 375 miles to the north, but word of their arrival could not be obtained through the static-filled air.

**PASSED CHURCHILL**

Three-quarters of an hour after noon today, the Lindberghs' low-wing Lockheed darted up from the blue waters of Churchill Harbor. For almost half an hour, the compact little monoplane soared above the rising buildings of the West's new seaport town, as the radio station tuned in with Mrs. Lindbergh's set. Then the plane scooted away into the north for Baker Lake.

Even the most leisurely flying along the rocky shore on the west side of Hudson Bay would have brought the flying colonel and his wife to the tiny trading post by 5 o'clock Central time (6 p.m. Eastern standard time). But not a signal came from the little radio station, Baker Lake's only means of long-distance communication with the outside world.

**NOT ON THE AIR**

"For some reason unknown, the Baker Lake station is not on the air tonight," it was announced from the Department of Radio and Marine radio station here tonight, "and we cannot get any information regarding Lindbergh. We last communicated with him at 1:10 p.m., and last heard his transmitter at 2:40 p.m."

# AERIAL PAGEANT FORCE TO DIVIDE

WINNIPEG, Aug. 3 (CP).—Aerial members of Canada's cross-country pageant planned tonight to divide forces, seven machines swinging southward through the United States and a dozen proceeding eastward to Fort William. Both groups were expected to hop off tomorrow noon for their respective destinations.

Seven Royal Canadian Air Force planes, including the five Siskin fighters, are to make the eastward journey to Montreal by way of St. Paul, South Bend, Detroit and Walkerville. They expect to arrive in Montreal by Friday noon.

The main body of the pageant, which has already flown from Hamilton, Ont., to the Pacific Coast and back to Winnipeg, plans to stage a pageant at the lakehead on Thursday, then proceeding eastward.

**PROMOTERS ARE FINED**

VANCOUVER, Aug. 3.—A $10 fine was imposed in police court this afternoon on the Canadian Northwest Amusement Co., Ltd., promoters of the recent Arena walkathon, for violation of a civic ordinance. Three similar charges, involving other dates were withdrawn.

# *Hankow Is Inundated By Floods*

HANKOW, Aug. 3 (AP).—Hundreds of Chinese were drowned today when a dam holding the waters of a lake in the rear of the city gave way and inundated the streets to a depth of two feet. Hankow was completely cut off from the surrounding countryside and the food problem was growing serious.

For several days the River Yangtze has been lapping over the bank and the lakes in the rear of the city have been rising continually higher because of recent heavy rains.

## MEMBER OF KING'S YACHT CREW DROWNS

COWES, Isle of Wight, Aug. 3 (AP).—His Majesty's yacht Britannia tonight was withdrawn from the race for the King's Cup tomorrow because of the drowning of one of her crew.

# TO CONTINUE WORLD FLIGHT

## Herndon and Pangborn Wait for Favorable Weather —Repairs Completed

TOKIO, Aug. 4 (AP).—A Rango News Agency dispatch from Khabarovsk, Siberia, today said repairs were completed on the plane of the American flyers, Hugh Herndon, Jr., and Clyde Pangborn, and that they apparently planned to continue their round-the-world dash.

The dispatch said the repairs were completed at 8:40 a.m., Tokio time today (6:40 p.m. E.S.T., Monday), but that the flyers were delaying their flight across the North Pacific on account of unfavorable weather. Herndon and Pangborn damaged a wing of their plane when they landed at Khabarovsk.

**WEATHER UNFAVORABLE**

Weather reports indicated unfavorable conditions prevailed over the North Pacific. High winds whipped across Japan and the region to the north.

The flyers did not set any definite time for their take-off to Nome, Alaska.

Later dispatches said the flyers denied New York reports that they had considered abandoning their round-the-world flight attempt. They said they would continue as soon as weather reports indicated conditions were more favorable.

## *New York Fighting Infantile Paralysis*

NEW YORK, Aug. 3 (AP).—The city administration today authorized a $75,000 appropriation to aid in combating infantile paralysis.

In the five boroughs of Greater New York, 114 new cases of the disease were reported over the week-end, bringing the total since July 1 to 802.

## *Ladies Are Given Timely Warning*

CHICAGO, Aug. 3.—The ladies can't say they weren't warned. Within 10 years, Dr. Paul F. Mahafey, of Springfield, Ill., told the Scientific Association of Chiropodists, women will have feet like the hoofs of horses if they keep on wearing shoes with high heels.

## Statesmen at Three-Power Conference

THIS picture was taken when the statesmen of three nations gathered at the Ministry of the Interior, Paris, France, to discuss the moratorium situation. Laval, Prime Minister of France.

# *Optimism Keynote Of Throne Speech At House Closing*

## Says Adversity Powerless Against Will of Canada to Regain Happiness and Prosperity—Legislation Enacted During Session Reviewed

OTTAWA, Aug. 3 (CP).—Asserting that "these troubled times will pass, for adversity is powerless against the will of Canada to regain the happiness and prosperity which are its birthright," the Speech from the Throne which closed the second session of the seventeenth Parliament of Canada this evening, reviews the legislation passed.

Specific mention is made in the speech of the legislation enacted with respect to the Beauharnois power and canal development. Those measures, the speech states, "have been enacted to secure the public interest against harmful exploitation of our natural resources and to safeguard the rights of bona fide investors."

**BETTER CONDITIONS SOUGHT**

Reference is made in the speech to the fact that the great powers in Europe, "following the generous and constructive action of the President of the United States of America, which Canada wholeheartedly endorses, are unitedly striving for the re-establishment of better world conditions."

"Towards this purpose," proceeds the speech, "we may now effectively contribute, by steadfastly bending ourselves to the task of freeing Canada from the consequences of this universal state of economic depression and of the particular misfortune which has befallen the West; so that this country may be ready to take its place in the forefront of the world's recovery."

**TEXT OF SPEECH**

# AMALGAMATION IS ADVOCATED

## Reeve James Elrick Says Creation of Greater Victoria Area Necessary

Advocacy of a Greater Victoria, to include Victoria, Saanich, Oak Bay and Esquimalt, was contained in a statement issued last night by Reeve James Elrick, of Esquimalt. Reeve Elrick also endorsed the proposal to make the Victoria Citizens' Unemployment Relief Fund benefit the larger district, pointing out that there had never been a time of greater necessity for such a move.

"Today we cannot live within small boundary lines," he said, "and the sooner we get away from them the better.

"Every business is combining for its own benefit in these times, and the occasion is ripe for Victoria and its municipalities to follow suit. As Reeve of Esquimalt, I say that there is nothing better could be done now than to have a Greater Victoria.

"Esquimalt does not want to 'lean' on Victoria," he continued, "and we will contribute our share. The majority of the members of the committee reside outside the city, most

# *B.C. Fur Farmers Desire Livestock Status in Province*

## Suggest Industry Be Taken From Under Game Board and Administered by Agriculture Department—Is Growing Enterprise

CONCRETE proposals that the fur farming industry of British Columbia be removed from under the wing of the Provincial Game Board, and regulated instead by the Department of Agriculture, through its livestock branch, were made yesterday to the Provincial Government through the United Fur Farmers' Council of British Columbia.

The delegation, which made its representations to Hon. Joshua Hinchliffe, acting Minister of Agriculture, also suggested easement of taxation now falling on the industry, and financial aid towards an educational campaign to popularize British Columbia furs in the domestic market.

The Fur Farmers' Council, which is representative of the British Columbia Silver Fox Breeders' Association and the British Columbia Fox and Fur Farmers' Association, was represented by W. Miller Higgs, of Galiano Island; J. D. McKenzie, of Duncan; V. A. Bourne, secretary of the British Columbia Fox and Fur Farmers' Association; H. F. Dack, secretary of the British Columbia Silver Fox Breeders' Association, and J. W. Bell, of this city.

The delegation expressed its desire to bring about better conditions generally for the British Columbia fur farmer, both through recognition as a definite part of the livestock industry of the province, and also through active measures to leaden municipal and school taxation, as well as to stimulate a home market for the fur, inferior types of which figure largely in imports into the province.

# ARMISTICE FOR MILK WAR SEEN

## Destruction and Hostilities Cease With Both Sides Willing to Arbitrate

PORTLAND, Ore., Aug. 3 (AP).—An armustice, and probably peace, in Portland's milk war appeared nearer tonight.

Governor Meier took a hand in the controversy today by suggesting that whatever the difficulty, it should be susceptible to amicable adjustment by an impartial and just tribunal. Spokesmen for the producers and for the distributors of Portland's milk supply issued statements saying they would be glad to arbitrate.

"We will meet with any arbitration group," said W. W. Henry, secretary-manager of the Dairy Cooperative Association.

# FIVE BLOCKS ARE SWEPT BY FIRE

GRANGEVILLE, Idaho, Aug. 3 (AP).—Fire which swept along five blocks of a residential street here today, burned itself out late this afternoon. Firemen estimated the damage between $50,000 and $75,000.

The flames destroyed ten homes and ten barns and garages, besides a number of smaller buildings. Fire fighters were handicapped by a low water supply and lack of pressure, while a strong southwest wind spread the blaze.

Furniture and belongings were saved from only four of the houses burned.

# *Beaverbrook Not Looking For Trouble*

QUEBEC, Aug. 3 (CP).—Bound on a holiday visit to New Brunswick, where he was born, Lord Beaverbrook, British Parliamentarian and newspaper publisher, arrived in Quebec today on the steamer Empress of Britain. Denying that he was planning a chain of Canadian publications, the Canadian-born peer commented: "A man has three times too much trouble with three newspapers without taking on more trouble with more papers."

# MANY PLATES ARE DAMAGED

## Hull of Prince David Punctured in Several Places, Survey Reveals

Sustaining greater damage than was estimated when the ferry ship grounded in the fog last Friday morning near Point Wilson, the docking of the Ss. Prince David by Yarrows, Limited, and the surveying of the ship by representatives of the British Corporation, revealed that the hull of the Canadian National craft was damaged for almost its entire length, and that the dockyards interested will be tendering on one of the biggest ship repair jobs to offer for some time.

The Prince David is damaged considerably along the port side, the outer skin being punctured in several places, with one hole through the second skin leading to the engine room. It was understood yesterday that some seventy plates would have to be renewed, which will necessitate the vessel being laid up for some time. Tenders for the repairs are supposed to be in by 10 o'clock this morning, when it is understood the contract will be awarded to the successful bidder.

The Prince David is insured with the British Corporation of Liverpool. H. A. Wallace, surveyor, was in the city for the purpose of surveying the ship for the corporation, and finished his inspection yesterday.

**RESUME SERVICE**

Emphasizing the lessening fire hazard in the Kettle Valley is the fact that train service, which has been diverted through Spences Bridge and Merritt, will resume its regular run through the Coquihalla Pass shortly.

At Pitt Lake a fire which had raged almost unchecked for several days and had been brought under control a few days ago is still being kept within bounds.

Of the fires burning unchecked none is serious and while the territory is large little damage is being done.

**BLAZE AT LILLOOET**

A forty-acre fire which broke out this morning at Mile 48, on the Pacific Great Eastern Railway, near Lillooet, is burning fiercely, but the blaze is confined to slashings and timber of little or no value.

A three-hundred-acre fire at Garden Bay, Pender Harbor, is reported, but covers only a burnt-over area in an inaccessible part of the mountainside.

A bright spot in the forest fire situation is the falling temperatures in the affected parts, with rain expected.

# FIRE RAVAGES GROWING LESS

## Majority of Forest Fires in Province Are Reported Under Control

VANCOUVER, Aug 3 (CP).—Respite from the fire menace which has ravaged hundreds of acres of timber and slashings in British Columbia for the past few days was seen tonight with the majority of fires under control.

The most serious blaze, which has been rampant in the Kettle Valley area between Juliet and Brookmere since Saturday, and which at one time threatened both villages, was reported late tonight to have been brought under control.

## *Suggestion Was Purely Business*

WASHINGTON, D.C., Aug. 3 (AP).—The United States Government considers its suggestion that Germany buy cotton and wheat from the Farm Board on long-term credit, a business proposition which requires no further diplomatic negotiations.

Acting Secretary Castle, of the State Department, said today no reply had been received from Germany on the proposal and added that, if the Reich decided to adopt the plan, it probably would negotiate directly with the Farm Board or its subsidiaries.

## Royal Assent Given Long List of Bills Passed in Two Houses—Deputy Governor-General Conducts Closing Exercises in Senate Chamber —Heated Debates Feature Last Day

## *Estimates for Agriculture Bring Lengthy Discussions*

OTTAWA, Aug. 3 (CP).—Accompanied by booming of cannon and colorful ceremonies, the curtain was rung down today on the second session of the seventeenth Parliament. Prorogation exercises were conducted by Mr. Justice L. P. Duff, of the Supreme Court of Canada, as Deputy Governor-General.

### Brings Long Session of House to Close

RT. HON. LYMAN P. DUFF
Administrator, who delivered the Speech from the Throne at prorogation of Parliament yesterday.

The sombre red-and-gold decorations of the Senate formed the background for the picturesque ceremonies. Reflecting all the hues of the rainbow, daintily-gowned women were grouped together. Senators and Members of the House of Commons in blues, blacks and greys lined the chamber.

**ACCOMPANIED BY RETINUE**

In the immediate foreground the Deputy Governor-General was surrounded by his retinue of military, naval and air officers, resplendent with gold lace, burnished scabbards and brilliant uniforms. Their clanking spurs sounded a musical note when they trooped into the chamber.

Immediately after the arrival of the Deputy Governor-General and his retinue, the gentleman usher of the black rod, attired in knee breeches and lace-trimmed velvet jacket, was dispatched to the House of Commons to summon the Members of the Commons.

**GIVEN ROYAL ASSENT**

Royal assent was given to a long list of bills passed by the two Houses. The Speech from the Throne was read, first in English, then in French. Guns boomed forth. The Deputy Governor-General was escorted from the chamber. Inspection of the guard of honor followed. The guns boomed again and in their smoke was written the last act of the second session of the seventeenth Parliament of Canada.

From the very outset of today's sitting of the House, feeling was strained. Tempers appeared to be at breaking point and clashes were frequent between those participating in debate.

The first half was occupied in a dispute as to whether or not the morning sitting was regular at all, Rt. Hon. Mackenzie King, Opposition leader, held that the House had

# WILL NOT TRY FLIGHT AGAIN

## Robbins and Jones Forced by Fog to Make Landing at Fairbanks

FAIRBANKS, Alaska, Aug. 3 (AP).—Reginald L. Robbins and Harold S. Jones, Forth Worth, Texas, flyers, who were forced down here on their second attempt at a nonstop refueling flight from Seattle to Tokyo, will not try the hop again, they said today.

After sleeping soundly for five hours and a half, but still showing the effects of their twenty-seven hours in the air, the Texans were cheered to learn their refueling plane had landed at Ruby after they lost it in the fog early today.

"It's too late to try it again this year," said Robbins, "we have tried it twice and had no luck and there is no use playing with it any more."

**DOWNCAST AT FAILURE**

Robbins and Jones were downcast over the failure after conditions had been perfect during the early stages of the flight.

"When we came over Fairbanks in perfect weather and saw clear skies to the westward we thought everything was going to be clear sailing and it was until we got between Caltag and Unalakleet," Robbins said.

**LOST REFUELER**

"Then it became foggy and rainy. It became right difficult to keep the refueler in sight and finally we lost it altogether. We realized the refueler could not get over the mountains to Unalakleet so we came back to Fairbanks and flew over the town for three hours hoping Mattern and Greener would return in the refueler so we could refuel and try again.

"But when they did not return and the ground fog lifted we started to land. Picking a hole in the fog, we set her down. We had fifty gallons of gasoline in the tank when we landed. Fuel consumption averaged twenty-two gallons an hour and the motor worked perfectly all the time."

**MAYOR IS PROGRESSING**

## *King of Outlaws Is Under Arrest As Rebel Leader*

MANDALAY, Burma, Aug. 3 (AP).—A man who is said to have admitted that he is Saya San, leader of the recent Tharawaddy rebellion, is under arrest here. Authorities declare that he is "King Golden Crown," who established himself as king of the outlaws in the Tharawaddy district and had hopes of becoming king of Burma. Previous to the arrest, it had been reported that "King Golden Crown" was slain by British troops who put down the Tharawaddy rebellion.

# *Scottish Miners in Agreement*

GLASGOW, Aug. 3 (AP).—After months of negotiations coal owners and miners' representatives of Scotland today reached an agreement by which the miners are granted a minimum daily wage of eight shillings ($1.92) and a 7 1-2 hour working day.

The new agreement becomes effective August 7. It was understood the miners voted in favor of the settlement by a majority of about 13,000.

## *Communists and Anarchists Fight*

BUENOS AIRES, Aug. 3 (AP).—Fifteen prisoners were wounded today in an encounter between Communists and Anarchists lodged in the Villa Devoto Jail. Police had to use tear gas bombs to restore order, disrupted by an argument over revolutionary tactics.

# Northern Rebels Almost Crushed By Nationalists

## Report of Successful Operations Simultaneous With Announcement of Scattering of Reds in Kiangsi by Chiang Kai Shek

SHANGHAI, Aug. 3 (AP).—The rebellion of the Northern war lord, Shih Yu San, was reported nearly crushed today by Nationalist Government troops, simultaneously with the Government's announcement that Kiangsi Province Reds had been defeated and scattered after two months' fighting.

Only a few fleeing bands of Reds of the hordes that for a year had drenched the countryside with blood and burned cities, were left intact after the vigorous campaign directed by President Chiang Kai Shek.

**ADVANCE UNLIKELY**

These reverses suffered by Nationalist foes were believed to have made unlikely any advance northward by Canton insurgent Government armies which was planned by Canton to begin last Saturday through Kwangtung and Kiangsi Provinces.

More than 250,000 rebels of General Shih Yu San were said by neutral news sources to be virtually surrounded in Southern Chihli Province by Nationalist armies advancing northward in co-operation with the southward movement of their Manchurian allies along the Peiping-Hankow Railroad.

Pouring eastward through mountain passes, the Shansi Province troops of General Shang Chen drove against the rear of the rebels who had been fighting the Manchurians several days and were said to have been the added factor that caused the insurgents to ask for peace.

President Chiang Kai Shek, however, said dispatches, ordered fighting continued until the rebels were completely defeated and the military and political power of Shih Yu San destroyed.

# AMALGAMATION IS SUGGESTED

## Commission Puts Forward Scheme for Reorganizing British Coal Industry

LONDON, Aug. 3 (AP).—A sweeping amalgamation scheme for the reorganization of the British coal industry is put forward today in the report of the Coal Mines Investigation Commission, appointed under the Coal Mines Act of last year.

The country would be divided into six geographical units, in each of which there would be only one colliery undertaking if the Government enforced literally the scheme suggested by the commission.

The vital need of the industry, the commission urged, is the reduction of costs through the concentration of productive export. More pits ought to work to fuller capacity, while some ought to stop work temporarily, if not permanently, it was said.

# COMMONWEALTH RESCUES STATE

## Australia to Meet New South Wales Interest Due in London

CANBERRA, Australia, Aug. 3 (CP).—The Government of the Commonwealth for the second time has come to the rescue of the State Government of New South Wales in the latter's financial difficulties. Federal authorities, through the Commonwealth Bank, have arranged to meet interest due in London on New South Wales debts amounting to $2,435,000, as well as the $725,000 interest due in New York.

The next move of the Scullin administration with regard to the conversion proposed to lower the interest rates on the national debt is eagerly awaited. A reduction of from 6 to 4 per cent has been made by the banks in the rate of interest on treasury bills, all of which have renewed at the new rate. This means an annual saving to the Government of $2,170,000.

**DECLINE IN TRADE**

A drop in both exports and imports as compared with the previous year is shown in the official returns of Australia's overseas trade for the year ending June 30, issued.

The figures, however, show a favorable trade balance of $141,500,000 in par currency, or $180,000,000 in Australian currency. The decline in imports is attributed largely to the unfavorable exchange rate, for imports have to be paid for at par. At the same time the unfvorable exchange should have stimulated exports, paid for at the depreciated Australian rate.

# EDISON MAKING GOOD PROGRESS

## Veteran Inventor Amuses His Distressed Family With Humorous Remarks at Bedside

WEST ORANGE, N.J., Aug. 3 (AP).—Continuing his steady gain, Thomas Alva Edison closed today with "encouraging improvement" after spending the evening amusing his family with humorous remarks.

Dr. Hubert S. Howe, personal physician to the aged inventor, forecast another good night for his patient, and the Edison family was considerably encouraged at the sick man's satisfactory progress.

The atmosphere in the home, filled with forebodings when the wizard of Menlo Park collapsed on Saturday, tonight took on a definite optimism, that Mr. Edison's remarkable recovery would continue.

# COMMITTEE TO MEET SATURDAY

## Bankers to Decide on Action Necessary to Aid German Finances

By A. R. DECKER
(Copyright, 1931, by The Chicago Daily News Foreign Service)

PARIS, Aug. 3.—The bankers' committee which resulted from the London Conference, meets at Basel, Switzerland, at 4 p.m. next Saturday, when it will elect a chairman and decide on a plan of action to carry out its mission and whether its meetings should continue in Basel, where all the necessary information is available, or go to Germany to examine on the spot the conditions of German credit possibilities.

The Bank for International Settlements is placing all its facilities at the disposal of the committee, appointed by the central banks and the Federal Reserve Bank of New York and its American associated members. The committee sits under the auspices of the world bank. However, the world bank had nothing to do with appointing the committee and hence naturally cannot assume responsibility as to its activities or recommendations. This is but a formal division of interest, for the central banks, which appointed the committee, are also on the board of the International Bank.

**CAN AID GREATLY**

The world bank can aid tremendously the bankers' committee, for the bank has already obtained invaluable experience in handling problems for central banks. It has been in close touch with developments in Central Europe and was instrumental in maintaining contact between capital-possessing countries and borrowers. Several able committees have already made careful studies of credit needs and of how to get away from the short term credit situation, which is one expression of the lack of confidence in credit-needy countries.

Today a meeting of the Bank for International Settlements approved the prolonging of credit to Germany for three months.

In Basel there is a decidedly better sentiment today although the attitude is one of watchful waiting. The agreement to open a credit for the Bank of England has had a good influence. It is felt that the panic is over in Germany, but the opening of the banks is awaited with some anxiety. There is considerable interest in seeing how the Germans are going to conduct themselves.

# THREATENED BY GODLESS PLAN

## Archbishop de Pencier Voices Scathing Condemnation of Communism

CLOVERDALE, Aug. 2.—Denunciation of Communism, as threatening Canada and other nations, was voiced in a Memorial Day address of New Westminster.

Archbishop de Pencier spoke at the annual war memorial service of Surrey on Sunday afternoon.

"We are challenged today as never has this world been challenged since the fourth century," declared the speaker. "There is the great example of Russia, which has banished religion and whose five-year plan is opposed to the principles of Christianity.

**LIKE BRUTE BEASTS**

"We needn't go to Russia, for the threat of Communism appears across this country from coast to coast. Communism would first banish God and then upset the rights of the individual. There is no such thing as family life under Communism. Out goes the family and persons are treated like brute beasts."

Russia has found that all men are not equal, said Bishop de Pencier, and only this month it was found necessary to recognize the intelligentsia.

not been adjourned regularly to meet at 11 o'clock this morning. Premier Bennett retorted that the motion for a morning sitting had been put. Finally this point was cleared up and the House proceeded to business.

**FURTHER DISPUTE**

The motion to go into supply for consideration of remaining estimates precipitated further wordy warfare. Hon. W. R. Motherwell (Liberal, Melville) taxed Hon. Robert Weir, Minister of Agriculture, with having blamed de-watering of Water Hen Lake in Saskatchewan on Mr. Motherwell and Hon. Charles Stewart. Mr. Weir retorted that he blamed Mr. Motherwell for not taking adequate steps to prevent spread of weeds from this undertaking.

"Bunk and rubbish," was the rejoinder of Mr. Motherwell.

A strenuous debate on agriculture, in which the need for an agricultural policy was stressed and the claim made that no such policy had been announced by Mr. Weir, was then precipitated by Liberal members. This proceeded for some time, but finally the motion to go into supply passed the House.

A number of miscellaneous items passed the committee before adjournment.

**ANOTHER FLARE-UP**

The House sat about five minutes after 1 o'clock, usual hour for noon adjournment, when again tempers threatened to flare up. Mr. King, declaring that he was attempting to proceed toward prorogation in accordance with the rules, asked if the House was not going to adjourn. That was not the way to facilitate the business of the House. The best progress should be made by observing the rules.

The Prime Minister, remarking that there was no need for heat or threats, drew the attention of R. K. Smith (Conservative, Cumberland), who was occupying the chair, to the fact that it was 1 o'clock.

**WIND UP IN AFTERNOON**

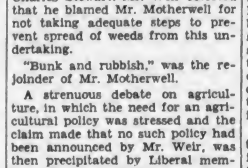

Storm and stress, which revolved chiefly around remaining estimates of the Department of Agriculture, again became apparent at the afternoon session. The House of Commons finally came to prorogation shortly before 6 o'clock.

Fine weather and a holiday brought to the Parliament Buildings a large crowd of spectators which filled the galleries of the Senate Chamber for the closing ceremonies. These brought to an end a session which has lasted for nearly five months, which has produced a long list of legislative measures, and which has resulted in stubborn debating and strenuous encounter.

# TWO NOMINATED FOR QUEBEC BY-ELECTION

THREE RIVERS, Que., Aug. 3 (CP).—Two candidates were nominated today to contest the Dominion by-election in Trois Rivieres-St. Maurice on August 10. They were Charles Bourgeois, K.C., Conservative, and Hon. Wilfrid Gariepy, a former Saskatchewan Cabinet minister, Liberal.

The seat was made vacant by the death last year of Arthur Bettes, Liberal, who carried the constituency on July 28, 1930, by a majority of 3,700 over his Conservative opponent.

# OPTIMISM KEYNOTE OF THRONE SPEECH AT HOUSE CLOSING

Continued from Page 1

Honorable Members of the Senate:

Members of the House of Commons:

I desire to thank you for the diligence and efficiency with which you have discharged your duties during the present session of Parliament.

The development of Canadian industry and agriculture has been further promoted through the measures you have enacted.

**NEW TARIFF BOARD**

A tariff board has been created, one of the functions of which will be to aid in the stabilization of trade and the establishment of an equitable relationship between the costs of production and consumption.

The changes provided for in the system of government accounting will, it is believed, make for greater simplicity and more effective control over the finances of the country.

The measures granting assistance to the wheat producer, and for the distribution of coal, will do much to assist those industries.

Among other important measures enacted were bills respecting: Copyright; Canadian National Railway Company; pensions; soldiers' settlement; consolidated revenue and audit; vocational education; the Royal Canadian mint; old age pensions.

**STATUTE APPROVED**

Approval has been given the proposed measure of the Parliament of the United Kingdom to be known as the Statute of Westminster, and His Majesty the King has been humbly petitioned to cause it to be placed before that Parliament. Prior to such approval being given, delegates of my Government and of all the Provinces of Canada, at the invitation of my Prime Minister, met at Ottawa and approved for insertion in the proposed measure a clause defining the rights of the Dominion and Provinces in respect to its provisions.

The commercial agreement negotiated with the Commonwealth of Australia and ratified by Parliament will, I confidently believe, be of advantage to both our countries. This agreement manifests the desire of my Government to enter into similar trade agreements with other parts of the Empire.

**ECONOMIC CONFERENCE**

The Empire Economic Conference, adjourned last November to reassemble at Ottawa during the latter part of the current year, has been postponed because of circumstances which prevented the representation at the conference of all the Dominions of the Empire. It is confidently believed that when this conference reassembles, an Empire trade agreement of advantage to all its parts may be consummated.

The conversion loan of 1931, through which there was reinvested in securities of the Dominion of Canada a sum of approximately $640,000,000, affords striking proof of the confidence of the general public in the financial strength of the country.

**BEAUHARNOIS INQUIRY**

As a result of the Parliamentary inquiry into the operations of the Beauharnois Power Corporations, measures have been enacted to secure the public interest against harmful exploitation of our natural resources and to safeguard the rights of bona fide investors.

Since you entered upon the duties of the session, the worldwide depression in economic conditions has grown more acute, and the consequent state of unemployment and distress in many parts of the country has been intensified through the partial failure of the wheat crop in Western Canada. To augment existing relief measures, the Governor-in-Council has been empowered to take the necessary action to provide the maximum of employment and to aid by such means as may be deemed expedient, the recovery from the adverse conditions arising primarily from the crop failure.

**ENDORSES MORATORIUM**

The great powers of Europe and America, following the generous and constructive action of the President of the United States of America, which Canada whole-heartedly endorses, are unitedly striving for the re-establishment of better world conditions. Towards this purpose we may now effectively contribute, by steadfastly bending ourselves to the task of freeing Canada from the consequences of this universal state of economic depression and of the particular misfortune which has befallen the West; so that this country may be ready to take its place in the forefront of the world's recovery.

Members of the House of Commons:

I thank you for the provision you have made for the public service.

Honorable members of the Senate:

Members of the House of Commons:

**COMMENDATION FOR ZEAL**

I join with you in sympathy for those upon whom the present conditions bear most heavily. As our burden is less than that of other countries, so have we, as a nation, the greater duty to aid the unfortunate among our citizens. I commend your zeal for the common good. It is the crowning proof of the unassailable unity of the Canadian people. These troubled times will pass, for adversity is powerless against the will of Canada to regain the happiness and prosperity which are its birthright. May Divine Providence bless and guide you in all your labors.

**BALDWIN HAS BIRTHDAY**

LONDON, Aug. 3 (AP).—Rt. Hon. Stanley Baldwin, Conservative leader, observed his sixty-fourth birthday today at his Worcestershire home. He spent the day strolling about the country and attending the Astley Horticultural Show at which a number of his friends are exhibiting.

# *Two Killed by Bomb on Express*

VIENNA, Aug. 3 (AP).—A bomb explosion on the Munich-Belgrade express today resulted in the killing of two persons and serious injury to thirteen others. One of the two killed was an eleven-year-old boy, whose father and mother were seriously hurt.

of them in Oak Bay, some in Saanich and two or three in Esquimalt. These people are making cash donations to a fund that will benefit the unemployed of Victoria only, and the municipalities receive no aid whatever.

**MUNICIPAL RELIEF**

"I have sent out letters this morning to all prominent residents of Esquimalt," the reeve asserted, "and asked them to attend a meeting to be held in the Municipal Hall on Thursday, at 8 o'clock, when it will be proposed that a citizens' committee be formed in the municipality. This has been forced upon me, as the city will give no aid.

"There are, no doubt, many people in Esquimalt who will think that I am wrong in the action I am taking regarding the advocacy of a Greater Victoria. In the next twelve months, however, I know that they will find that I am right when I say that it is the best move that could be made at the present time.

**MOVE STARTED BEFORE**

"The move has been started before, but the man who originated it was several years ahead of time, and the necessity of it should be realized.

"At a recent meeting of the Victoria Citizens' Committee that I attended, Reeve Crouch of Saanich made a motion that the fund be made to benefit Greater Victoria, and Mayor Anscomb ruled it out of order. I feel confident that had that motion been voted on by the meeting, it would have passed, since the majority of the members, who reside outside the city, realize its necessity.

The Mayor also said that it was not fair to have the people of Victoria burdened by the relief of the municipalities when the taxes of these districts are so much lower than those of the city.

"This has nothing to do with taxes," the reeve claimed, "it is a matter of donations given by individuals towards relieving those who are destitute and requiring aid."

**BUSINESS BENEFITS**

"Vancouver has amalgamated its municipalities, and there is no question of the business benefits to Vancouver Island if Victoria does that same thing. There would be harmony in every way, and any disagreements that occur now between the districts, would be eliminated.

"Esquimalt now has to bear the burden of nonrevenue-producing Dominion Government lands, that, if they were taxed, would yield $60,000 annually to the municipality, and there is no reason why the municipality should bear this alone.

"Regarding the question of outsiders earning money in Victoria, this has little to do with the matter, since practically all of the money that is taken out is returned when people purchase their goods in the city.

"If it is unfair to ask the people of the city to contribute to a municipal relief fund, then it is just as fair to ask the collectors for the city relief fund to refrain from asking people of the municipalities to contribute to their fund," concluded the reeve.

# B.C. FUR FARMERS DESIRE LIVESTOCK STATUS IN PROVINCE

Continued from Page 1

Administration under the game board, as at present, made some of these objectives difficult of attaining, it was represented, as the regulation of the industry was not entirely on a commercial basis, such as were the better-known livestock industries of the province.

The delegation made a four-point plea to the Government on these and other grounds, and was advised to put its submissions in the form of a written brief for the consideration of the Cabinet. This is now being done, spokesmen for the fur farmers said yesterday.

Outside of its appeal for a new method of control, the delegation disclosed tentative plans for a campaign to call attention to the high quality and grade of fur produced in this province. From a small start a few years ago, fur farming has grown to extensive proportions in British Columbia, under ideal climatic conditions, and favored by results that have already drawn more than passing attention from international sources.

More active support on the home market, however, is seen as essential to enable the expansion and improvement of the industry on the scale its initial success is asserted to warrant.

# ARMISTICE FOR MILK WAR SEEN

Continued from Page 1

"We will be glad to arbitrate; in fact, we were arbitrating when the trouble started," said A. M. Work, spokesman for the distributors.

**TO ASCERTAIN FACTS**

Mayor George L. Baker, Portland, announced he had appointed a "fact-finding" committee of five prominent citizens who will ascertain the facts of the controversy between the dairymen and the distributors. The purpose of this move, the mayor said, was "to advise the public as to facts that public opinion may become a factor in settling the controversy."

Meanwhile groups of dairymen who had been assembled at various points outside of Multnomah County and who had been stopping milk trucks and destroying thousands of gallons of milk, appeared to have dispersed or to have curbed their activities.

**PRESIDENT RE-ELECTED**

MADRID, Aug. 3 (AP).—The Assembly of the Right Republican party today re-elected President Zamora as chief of the party after a long debate.

The president had been separated from the party ranks, but a letter from him was read, signifying his allegiance.

**THIEVES TAKE SAFE**

NORTH VANCOUVER, Aug. 3.—Thieves broke into Elliott's Meat Market, Kings Road and Lonsdale Avenue, Saturday night and stole $148 from the safe, which they removed from the premises, police report. The safe was recovered early on Sunday morning at Kings Road and Jones Avenue. Constables recovered $70 in cheques.

# TRANSIENTS FAVOR CAMPS

## Almost All of Those Polled Under Provincial Plan Acquiesce

Comprising practically the first week's registration under the Provincial plan, a total of 3,700 forms were returned to the Minister of Works, up to last evening, as duplicates of actual registrations of needy persons all over British Columbia. Additional numbers of forms will be following from now on, and the unemployment committee of the Cabinet has set up special machinery to deal with the compilation of the record for the Province as a whole.

First results learned from the forms included the fact that of the 3,700 cards issued in the first week, approximately 1,000 were given to transients, 95 per cent of whom, in registering, said they were willing to go to highway work camps. The remaining numbers were made up jointly of municipal and provincial residents, the former leading numerically. Provincial residents, for the most part, were also willing to go to camp, but municipal residents, largely with independents, were adverse on this question.

**CARD INDEX SYSTEM**

As the forms come in they are being filed by a staff of six from the Department of Public Works, numerical and geographical registers are being kept on the card index system, so that the numbers, status and location of all those who apply may be readily ascertained. The work of recording the registrations and analyzing the results is a considerable task in itself, and the staff, busy on this phase of the issue, worked late on Saturday and yesterday to keep abreast of the record, a continuous one.

Meanwhile the unemployment committee of the Cabinet ordered preparation of the necessary equipment for the eleven highway camps, to be started as soon as definite word has been received from Ottawa. Federal advice is expected within the next few days, now that prorogation has taken place.

In the Interior, at the dry belt, tents are to be provided for the men who are sent to these camps. At the Coast areas more solid housing is seen as necessary, and wooden structures may be considered in this connection.

The camps, it is unofficially understood, would be used for all classes of men, but chiefly for those without dependents, who are free to go to such centres. Men with dependents largely fall into municipal classifications; except in the unorganized territory, where, it is expected, effort will be made to provide other work closer to their homes.

**METHOD OF RECORDING**

Registration, it was again pointed out, was not a guarantee of employment, but merely a way of recording the numbers and location of men and women in need, with means of measuring their relative need of assistance.

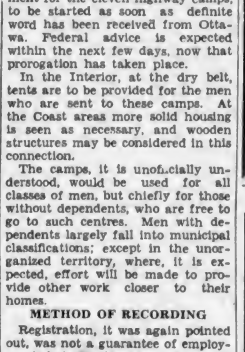

No definite decision has yet been reached on the apportioning of Dominion, Provincial and Municipal responsibility, and it is altogether likely this question will be left in abeyance until the Province has heard definitely from Ottawa as to what assistance British Columbia will receive with its unemployment relief plans for the coming months. Registration is to be pushed actively ahead, meanwhile, and will serve as a basis for all future decisions on the question.

# *Three-Cornered Fight Is Certain*

HAMILTON, Ont., Aug. 3 (CP).—Three candidates are definitely in the running for the vacant East Hamilton seat in the Federal House. Official nominations today insured a three-cornered fight. Those contesting the seat are: M. M. Robinson, Conservative; Alderman Humphrey Mitchell, Labor, and W. H. Connor, Independent. Election takes place August 10.

# GERMAN BANK WILL REOPEN

## Institution, Forced to Suspend During Crisis, Saved by "Friends"

By OTTO BROM
(Copyright, 1931, by The Chicago Daily News Foreign Service)

BERLIN, Aug. 3. — The Danat (Darmstaedter and National) Bank is saved, and when the bank moratorium is completely done away with some time next week, the Danat Bank will also open its doors.

According to an agreement between the Danat Bank and the central industrial organizations, the industries will take over 35,000,000 marks (about $8,750,000) worth of Danat shares which will be put at the disposal of the Danat Bank by "friends." These shares will be sold at 125 per cent, which is considerably higher than the last stock exchange quotation. Thus 43,000,000 marks (about $10,750,000) of new means will enable the bank to satisfy the most urgent requests of its creditors when the holiday is over.

The new status of the Danat Bank has shown that recent losses are fully covered by open and hidden reserves, yet the question remains as to how much more loss will show in case the bank is compelled to liquidate part of its debits. But in this respect the Danat Bank is not much worse off than a number of other large German banks.

It is noteworthy that the "friend" who gave the 35,000,000 marks of Danat shares is unquestionably Jakob Goldschmidt, leading head of the Danat Bank himself. But since he is personally liable for the losses of this second largest German bank, it was only a generous gesture when he sacrificed his Danat shares.

# SAYS BRITISH JUSTICE SOUND

## A. M. Johnson, K.C., Reviews Criminal Law History in Address to Gyros

"British justice is the greatest system in the word, and has been adopted as the standard of all civilized peoples by which to govern their conduct," declared A. M. Johnson, K.C., special prosecutor for the Provincial Government, in an address, "Criminal Law From the Standpoint of the Crown," to members of the Victoria Gyro Club at the Empress Hotel yesterday noon.

As stated at the commencement of his address, Mr. Johnson had a wide subject to deal with in the time allotted to him, but, nevertheless, he gave a very interesting story of the origin of English criminal law, on which the laws of Canada are based. He quoted the Biblical saying "an eye for an eye, a tooth for a tooth," as being the foundation of all laws. The Ten Commandments, he said, were the first rules for the governing of conduct, but they were not intended as a code and gave no hint of punishment. They constituted a course of conduct laid down for the people of those days.

**LAW OF BATTLE**

Going back to the earliest days of punishment for crimes committed, Mr. Johnson said crime was looked upon as on offence against the private individual, and not against the public, or society, for which the person offended against carried the authority of meting out punishment according to his own ideas, and not interfered with by officers of state. The ancient law of battle prevailed. Mr. Johnson, at this point, commented on the conditions in the United States, "according to news reports." He referred to incidents in Chicago where gangsters went out with machine guns and killed their victims, while the forces of law and order stood idly by. "That is a commentary on the laws of the country to the south," Mr. Johnson said.

**ENGLISH COURTS**

Mr. Johnson told of the establishment of the High Court of Justice in England, which has for scores of years gone on uninterrupted. Royal commissions, he said, were instituted in England many years ago for the purpose of finding out what was going on in other parts of the country, in much the same manner as royal commissions operate today. It was in the days of the commission that the jury system was inaugurated, or originated in the Old Country, but at that time the jury was made up of the witnesses. It was in the year 1600 that the first trial by jury was recorded.

Star Chamber methods of trial were instituted in the reign of Charles I, and included the Ecclesiastical Court. "No one, however, wants to go back to the Star Chamber system," Mr. Johnson intimated.

**AIDING ACCUSED**

One of the underlying principles of British justice, Mr. Johnson said, was that no man should be convicted out of his own mouth. He mentioned, in that connection, the wide generosity of the Canada Evidence Act in favor of the accused on trial. "Silence does not prove guilt. The accused does not have to testify if he does not want to and the act forbids either judge or counsel for the Crown to comment on the failure of the accused to give evidence in his own behalf. He further reviewed the operation of the Canada Evidence Act and the Criminal Appeals Act which, he declared, were the two greatest of all Canadian statutes. Under the present system an accused man need have no fear of being wrongfully convicted, because he is protected by the Criminal Appeals Act.

In England, Mr. Johnson said, the Court of Appeals had only two decisions, one to sustain the conviction or to quash it. In Canada the court may do one of several things, reduce or increase the penalty, quash the conviction or sustain a conviction, or order a new trial for the accused person.

**CRIMINAL CODE**

Mr. Johnson said the Criminal Code of Canada was established in 1892 and ever since then there have been amendments made by Parliament to take care of various offences occurring with the change of times. The Criminal Code, he said, embraced all phases of criminal law.

The speaker explained the office of a Crown prosecutor, or Crown counsel. He is an officer of the court and it is his duty to present the evidence in a case in a fair manner, whether it benefits the accused or not. The verdict of the jury should be a matter of indifference to the officer of the Crown. "If the Crown is able to bring in evidence of a nature favorable to the accused, the more is it in the interests of British justice," said Mr. Johnson.

Prior to Mr. Johnson's address, President William C. Hudson gave a short review of the Hamilton convention, which he attended as a delegate from the Victoria club. Roy Manzer occupied the chair.

**CHRISTIAN SCIENCE TEXT**

First Church of Christ, Scientist, Victoria, had the subject "Love" for its lesson-sermon on Sunday, with the following golden text from Zephaniah iii, 17: "The Lord thy God in the midst of thee is mighty; he will save, he will rejoice over thee with joy; he will rest in his love, he will joy over thee with singing." Sunday services are held at 11 and 7:30 o'clock. Wednesday evening services, which include testimonies of healing, are held at 8 o'clock.

# THREE AWARDS FOR ONE MAN

## M. C. Robinson, Blinded War Veteran, Wins Distinction

Merrill C. Robinson, of Vancouver, for many years a resident of Victoria while connected with the S.C.R. at Esquimalt, has had the distinction of winning three of the eight medals allotted to Canadians in connection with the country-wide contest for achievements by the blind, conducted by the Harmon Foundation of New York.

Mr. Robinson's award consisted of the following: $10 for an achievement of economic value; $20 and bronze medal for accomplishment or progress in first two years of blindness; and $20 for participation in home activities.

Other Canadian recipients of awards were as follows:

Dr. A. T. Barnard, of Edmonton, $50 and bronze medal for an achievement of economic value; Joseph Clunk, of Toronto, $50 and gold medal for accomplishment or progress in first two years of blindness; Edgar J. Miller, of Swift Current, Sask., $20 and bronze medal for participation in home activities; Adolphe Renault, of Montmagny, P.Q., $10 for achievement of economic value.

For improvement of children in schools for the blind the following schools were represented, each pupil receiving $5 and a bronze medal: Ontario School for the Blind, Brantford, Ont.; School for the Blind, Point Grey, B.C.

**BLINDED IN FRANCE**

Mr. Robinson lost the sight of both eyes at Vimy Ridge. In England he took a course in massage and electro therapy, and became an expert in these. On his return to Canada he received the appointment of masseur and electro-therapist at the Soldiers' Civil Re-establishment Hospital at Esquimalt, and became a self-supporting citizen. He has since then taken charge of the British Columbia Institute for the Blind office in Vancouver. He lives a very active, normal and happy life, cycling, swimming, fishing and canoeing in his spare time, and in addition he superintended the building of his bungalow and the landscaping of his garden.

The idea behind the awards was originally that of the late William E. Harmon, founder of the Harmon Foundation. He desired to create some impetus which would fill the lives of the blind with the ambition and joy that comes both from achievement itself, and from the occupational effort to achieve. The series was planned to reach the blind of all ages—from "seven to seventy."

Because of the detailed investigations necessary in each case, and the reorganization of the foundation's activities after Mr. Harmon's death, a longer period of time elapsed between the opening of the awards and the selection of recipients than had been contemplated.

**FOR BOYS AND GIRLS**

Forty-six of the prizes went to boys and girls without sight who were entered for Improvement of Children in Schools for the Blind. They were rewarded for personal betterment such as poise, carriage, manners, ability to move about and general self-handling. These children were chosen from eighteen schools in the United States, two in Canada and one at Pasay, Philippine Islands. Each pupil selected received an award of $5 and a bronze medal. After the schools open this Fall three "sweepstakes" prizes, of $25 and a gold medal; $15 and a silver medal, and $10 and a bronze medal, will be announced by the foundation. Recipients will be chosen from the most outstanding of those receiving school prizes.

That financial independence is being sought and maintained by the blind was brought out in the award for Achievements of Economic Value. Robert Brown, of 239 Stonycreek Street, Johnstown, Pa., who received the first award of $200 and a gold medal in this field, is a salesman for a typewriting supply firm. He travels to customers within a radius of 150 miles of his home without a guide and earns an average of $2,400 a year.

Dr. Arthur Telfer Barnard, of 3212 111th Street, Edmonton, Canada, both blinded and deaf, who received $50 and a bronze medal, is a Professor of Church History at St. Thomas' Theological Seminary at the University of Alberta. Don. C. Haddock, of Paris, Idaho, who received the other award offered of $50 and a bronze medal for economic achievement, qualified for membership to the bar, and supports his wife and four children through a store and light refreshment stand.

Participation in Home Activities, another field of award, revealed that the blind are finding their place in the family life. Amanda Boucher, of Carl Junction, Miss., winner of a bronze medal and $20 in this field, has raised bees and poultry, pruned grape vines, ground and packed sausages, and further assisted on her father's farm by keeping house and caring for an invalid. Awards in this field, as well as in "Progress in First Two Years of Blindness," were divided into those for men, those for women and those for children up to twenty-one years of age.

# ARMY MAN IS ELECTROCUTED

## Swimming Party at Tod Inlet Ends in Tragedy With Death of Edmond Hogan

The seared body of Edmond Leonard Patrick Hogan, twenty, of Edmonton, was found by friends on the roof of the crusher of the cement works at Tod Inlet yesterday. He was the victim of an accident in which his body came in contact with a highpower transmission line, according to friends who found the body.

The remains have been taken to Sands Funeral Parlors, where the inquest will be held at 10 a.m. today.

Hogan was a private in the Princess Patricia Canadian Light Infantry, having come to the coast for the purpose of joining the army. He, with others of the P.P.C.L.I., were encamped at Heals rifle range. Two of his friends suggested a swim, so they went to a disused quarry near Tod Inlet. They had been swimming some time, they told Chief Allen Rankin, when they missed their companion. A search revealed that he had climbed to the roof of the crusher plant in his wet bathing suit and that his body had come in contact with the high tension wires. Death was instantaneous.

Chief Rankin was notified and the body was taken to Sands, pending funeral arrangements. As far as could be learned, Hogan was a single man. It is believed his parents are living in Edmonton.

## IS DROWNED WHILE SWIMMING WITH WIFE

MISSION CITY, Aug. 3.—Clarende Dryden, twenty-three, of Vancouver, formerly of Marshall, Sask., was drowned in Hatzic Lake, Saturday, when swimming with his young wife.

Dryden swam out to a raft. He started to return and had swum only a few feet when he suddenly sank. He came up once, but before anyone could reach him he disappeared and did not come up again. The body was recovered.

# VETERANS WILL HOLD TAG DAY

**Members of Tuberculous Association to Benefit From Proceeds of August 15 Tagging**

A tag day, to take place on August 15, in aid of the Tuberculous Veterans' Association, has been granted the association by the City Council. The members of this organization are veterans whose legacies from the Great War are the white plague and chronic chest diseases.

Since the inception of this essential organization, approximately 50 per cent of its members have passed on, and it is vital that the branch continues its traditional policy of service to those who are broken down and in despair.

There is no canteen, wet or dry, and no salaried officers connected with this association, and the only source of revenue is created from contributions donated by a generous public, and all such receipts are used as follows:

Financial aid to unfortunate members and dependents who receive little or no pension, or allowances.

Maintenance of club and restrooms situated at 1015 Blanshard Street, where tubercular subjects, whether members or not, may rest when exhausted from exercise, or searching for suitable employment.

Occasion educational lectures by expert medical authority on the prevention and after-care of tuberculosis for public benefit.

Contributions to the T.B. Veterans' Pensions Adjustment Bureau in Ottawa, from which a glorious history of service has been gained.

Taggers are urgently needed, and friends who would assist in that connection are asked to telephone the conveners, Mrs. Booth, G arden 5039, or Miss Campbell, G arden 2781; or the secretary-treasurer, T.B. Veterans' Association, G arden 3180. Communications may be mailed to P.O. Box 1145, Victoria.

## Peekaboo and Popup

By THORNTON W. BURGESS

The child who doth his parents heed
Doth prove that he is wise indeed.
—Old Mother Nature.

Two of the children of Yap Yap the Prairie Dog had left home very early in life, but two still remained. There were Peekaboo and Popup, so named because they were forever poking their heads out of the doorway of their home and then dodging back at every unexpected sound. They hadn't grown so fast as the two who had left home, and so were not ready quite so soon to venture out into the Great World to shift for themselves. But they were growing fast now, and Yap Yap knew that it would not be long before they, too, would some day go out exploring and not return. So he was taking great pains to teach them the things they should know.

Every morning he had Mrs. Yap Yap lead them out to get their breakfast. At first they did not go far from the doorstep, but gradually the grass was eaten down so close that they had to go farther. Over and over they were told that the first thing to do was to make sure that no enemy was in sight. First Yap Yap would sit on the doorstep and look carefully in all directions. Then Mrs. Yap Yap would do the same thing. Then the ewo youngsters would come out together and do the same thing, trying to look very wise. If everything appeared all right Yap Yap would lead the way to the nearest patch of tender grass.

"There is only one safe place in time of danger, and that is underground. Don't forget that. Don't forget it for even one little minute," Yap Yap would say.

"We won't forget," Peekaboo and Popup would reply.

"When you have to change your feeding ground, first make sure where the nearest house is, and if there is an alarm, run for that house, even if it isn't your own," Mrs. Yap Yap would warn.

"Yes'm," the two would reply meekly.

"Never wait to find out what the danger is," warned Yap Yap. "There is always time enough to find that out later. Don't think of anything but reaching the nearest house."

"We'll remember," the two would reply.

"Don't forget that danger may come from the sky as well as from elsewhere. Hawks are very fond of young Prairie Dogs," their mother would say.

"We won't forget," Peekaboo and Popup would reply

"Yes'm," would be the prompt response.

So it went on day after day, the same old lessons over and over. It grew tiresome to the two young Prairie Dogs. When they were by themselves they didn't hesitate to say so.

"Here we are really quite able to care for ourselves, and they tell us the same old things over and over, just as if we had never put foot outside the house," complained Peekaboo.

"For my part," declared Popup, "I'm ready to go out into the Great World any time. I'm not afraid. I'll be glad when I don't have to listen to what I should and shouldn't do. I want a little adventure. I don't see any sense in this everlasting watchfulness. I, for one, would like to know what I am running from, instead of rushing headlong for the house, just because someone else has got excited over something. Listen to that! Someone has seen his shadow and the whole neighborhood must run."

Yap Yap suddenly barked a sharp warning. "Come on, children!" he barked. "Don't you hear the alarm?"

Popup made a funny face at Peekaboo, and the two obediently raced for the home, only to find by the time they got there that it was all a false alarm.

"What did I tell you?" mumbled Popup.

## ACHIEVEMENTS OF SESSION

The session of the Federal Parliament which closed yesterday was of more than average importance because of its achievements. It may be true that it occupied a time out of proportion to the essential duration of discussion on the problems at issue. Neither the Government nor its followers can be blamed for this. There are in the ranks of the Opposition some intensely loquacious members who appear, according to the pages of Hansard, to pursue conclusions infinite of bringing themselves into the public limelight. The responsibility for the duration of the session lies at the door of their exuberant verbosity.

The outstanding features of the session have been the budget, with its tariff changes, the Australian trade treaty, the decision to redeem the situation affecting the financial vagaries of the Beauharnois project, the power granted the administration by Parliament to provide unemployment relief and relief for the farmers of Saskatchewan and Alberta, and the provision for the appointment of a tariff board to make recommendations affecting desirable tariff changes in the country. There was other legislation of a minor character which made for crowded days of activity during the session. The features outlined, however, have pride of place in the accomplishments of the Bennett Government.

The tariff changes are designed to increase production at home. They put a higher bar against the entry to Canada of a variety of commodities which can be produced in the Dominion and in which the development of the local industrial ventures affecting them can make the country self-supporting. There is no secret about the goal which Mr. Bennett and his colleagues in the Administration have set out to reach. It was preached from many platforms during the election campaign. His motto is Canada for Canadians; in other words, intensive efforts to promote development at home instead of allowing our citizens to be dependent upon imports from foreign countries. In this respect Mr. Bennett, as Minister of Finance, has engaged on a settled policy of tariff adjustment which, by the efflux of time, will attain definite results in achieving the policy in view.

In the matter of inter-Empire trade the Government has effected a first move in a series of inter-Imperial trade treaties which will make for a wider spirit of self-support within the Empire. This is the treaty negotiated with Australia. No similar trade pact of its kind has ever been received with a better note of appreciation throughout the country. It has been acclaimed by business interests and by the public generally. Canada has won concessions beyond those anticipated, and in the developments of the future arising out of this treaty there are especial opportunities offered to British Columbia, in lumber, canned salmon and various other commodities. The treaty is in line with the attitude taken by Mr. Bennett at the recent Imperial Conference when he advocated a greater development of reciprocal trade arrangements between different parts of the Empire. It is an earnest of what his Government proposes to effect with New Zealand, South Africa and other component parts of the British domain.

From the standpoint of political honesty and the assurance of ethical principles governing business interests the whole country will applaud the stand taken by the Government in the Beauharnois project. Mr. Bennett has shown his determination to wipe out graft in public life. Those Senators and others who have been mixed up with the funds of the Beauharnois power scheme have been pilloried by the report of the parliamentary committee. It may be true that legal action cannot be taken, but the Government insured that legislative action should be set in motion to prevent a recurrence of the happenings which have aroused indignation throughout the country. There is to be a reorganization of those who are directing the affairs of the Beauharnois project. The undertaking will be continued, but under new management, and management of a character which will insure the power facilities being developed in the best interests of the people as a whole. In addition, the denouement that has been brought about by parliamentary action should have the effect of affording a caustic warning against flagrant political campaign contributions in the future.

The earnestness of the Government in its desire to effect such measures as will afford the most widespread relief to the unemployed in the Dominion is indicated by the authority which Parliament has given for the expenditure of whatever moneys may be necessary to attain this end. Normally, such a policy as is indicated by a blank cheque would not be approved. The conditions are abnormal. Neither the Bennett Government nor nobody else can estimate what the situation will be during the coming Winter. Mr. Bennett, therefore, has sought and secured the approval of Parliament to the adoption of such measures as, in the wisdom of the Government, may be considered to be adequate to meet the situation. The public, who are anxious to see everything conceivably possible done to meet the emergency, will approve this move. It is an indication of the determination of the administration to deal fully with an unhappy situation.

Mr. Bennett and his colleagues are to be congratulated on the manner in which they have emerged from the first big test of their political life in authority. The emergency session, held within a few months of the Conservatives assuming office, was a brief affair. It dealt only with emergent conditions and all parties combined in facilitating the legislation devised. The first ordinary session for the Government was a different test and the Conservatives have emerged from it with flying colors. Not only have they placed very important legislation on the statute books but they have given indications of being a business administration in the best sense of that term. The laws passed during the session bid fair to redound to the welfare of the Dominion. That is the object which Mr. Bennett has in view.

## ECONOMIC, NOT POLITICAL

Those who live and work in India must necessarily know more about conditions there than commentators separated from the course of events by thousands of miles. There is a new light thrown on a situation that has aroused world-wide interest by Mr. M. de P. Webb, of Karachi, who claims that the crisis in India is economic and not political. In an illuminative letter to The London Times he claims that Mr. Gandhi's influence has been greatly overrated, especially where the claim is made that by his boycott he has checked the purchase of British cotton goods. He describes it as absurd and wholly wrong to suggest that India should be given Dominion status because of picketing and boycotting, and then he goes on to say:

"Prices have been falling in India, irregularly but continuously, since 1920, when the Calcutta index number of seventeen groups of wholesale prices stood at 201. It is now 98 (July, 1914, being represented by the figure 100). Since the collapse of the United States speculative boom of 1929, and the withdrawal of gold from other nations to the treasuries of the U.S.A. and France, prices in India have also suddenly collapsed—from 141 in 1929 to 98 today, over 30 per cent. Indian importers of British textiles, with large stocks of high-priced goods on hand, all felt themselves ruined beyond hope of recovery. At this critical moment—the beginning of last year—Mr. Gandhi astutely declared a boycott of British piece goods. It was an extremely clever political move. All cloth importers were delighted. For very good economic, not political reasons, all these people had been looking forward with despair to the arrival of new, low-priced goods, and the boycott promised to check new arrivals and so save them from certain bankruptcy. So they subscribed handsomely to the Gandhi campaign. For the same economic, not political reasons, the Indian cotton mill owners rejoiced, and are supposed to have subscribed many lakhs of rupees to Congress funds. The whole movement at its root was economic, not political.

"Terrible as the fall of general prices had been, the collapse of the prices of agricultural produce was still worse. Moreover, this collapse was accentuated rather than softened by the fact that India's rupee was not derated after the war (like most of the European currencies); it was overrated, stabilized at 1s. 6d. in place of the old 1s. 4d., thus handicapping the countryside to the extent of 12½ per cent in their efforts to sell their surplus products to Europe. The result is that the country people (over 70 per cent of the whole population) cannot now sell their grain etc.; they cannot pay their taxes; and they cannot pay their debts to those who have financed them, much less buy imported Lancashire goods They simply have no money. So the shrunken imports are not Mr. Gandhi's doing. Do not give Mr. Gandhi credit for what he has not done. The crisis here is economic, not political."

## THE GARDENER

Summers she worked among her flower beds.
It always seemed to me
The lilies higher held their fragrant heads,
The roses bloomed in deeper pinks and reds,
From her sweet ministry.

The silken poppies flamed anew each day,
As if they tried to show
Their gratitude and silent thanks that way—
And, by such gracious blooming, to repay
This friend who loved them so.

Transplanted now to greener fields than ours,
She bides 'neath fairer skies,
Spending, I know, the happy, endless hours
Among the asphodels and fadeless flowers,
Gardening in Paradise!
—Mazie V. Caruthers in The New York Times.

## THE TEN COMMANDMENTS

Sir,—May I through your columns try to answer the criticism that these have been superseded by the gospel.

"Fear God and keep His commandments, for this is the whole duty of man." This, with an added warning or judgment to come, summed up the wisdom of the wise man who scaled the heights and sounded the depths as no other (Eccles. xxii, 12). Speak and act, counsels the Apostle James, "as they that shall be judged by the law of liberty," the identity of which law is shown by his quotation of the sixth and seventh commandments (James xi, 10). If the law of God as expressed in the commandments is the standard by which we are judged, they cannot have been repealed by Christ. Judgment presupposes law.

Never did Christ mention a commandment to impair it, but to emphasize its wide sweep. The impure thought, he taught, breaks the seventh commandment. Unreasonable anger with a brother is as murder (Matt. v, 22-27).

Christ came not to destroy, but to fulfill the law (Matt. v, 17), and "that the righteousness of the law might be fulfilled in us who walk, not after the flesh, but after the spirit" (Romans viii, 4).

Prophetically it was written of Christ, "I delight to do Thy will, O my God. Yea, Thy law is within my heart" (Psalms xl, 7). And as He neared the end He could say, "I have kept my Father's commandments and abide in His Love" (John xv, 10).

For Christians, too, "this is the love of God that we keep His Commandments" (I John v, 3). Does love supersede the law? Nay, love fulfills and includes the law (Romans xiii, 9). The law is not annulled, but established by faith (Romans iii, 31). Only indeed through faith in Christ can a man truly begin to keep the divine law in the spirit of it (Romans viii, 7, etc.)

"If you would enter into life, keep the commandments," was Christ's answer to one who inquired the way to eternal life (Matt. xix, 17). And down through the gospeal age it is still "they that keep the commandments of God" through faith in Christ who are tested in time and reap the rewards of eternity (Rev. xii, 17; xiv, 12; xxii, 14).

So we may see that the law of God as expressed in the ten commandments is embedded in the New Testament as in the Old, and again both are heard to speak with one voice.

The law and the gospel are interdependent, not contradictory. Jesus came to save His people from their sins (Matt. i, 21). Sin is the transgression of the law (I John iii, 4). If there is no law, there is no transgression, no sin, and no need of a Saviour and a substitute (Romans iv, 15). Take away the law of God and the gospel falls as a needless thing.

Do we begin to sense the full meaning of the attack upon the books of Moses? Destroying the foundations of truth in the books of Moses has not only deprived men of the law which God ordained for their happiness and protection, in consequence of which the unrestrained greed and passions of men will soon make this world no desirable place to live in; but worse than that, it logically and inevitably leads to depriving men of the gospel which is their only hope for eternity.

Let me not be misunderstood. No man will be saved by keeping the law, for all have sinned, and the best of Christians do sin and come short; and the wages of sin is death (Romans iii, 23; vi, 23; I John i, 8). But, thank God, He has provided for us a Saviour and substitute to deal with the worst case. Through Him we may have the past wiped out, new inspiration and strength given for the present, all our failures covered by His perfect righteousness, and a glorious hope for the future. Then with Christ enshrined in the heart by faith, the Christian may say after Him: "I delight to do Thy will, O my God. Thy law is within my heart."

JEFFREY S. CRAIG.
1232 Yates Street, Victoria, B.C., July 31, 1931.

## FLOWER SHOW RESULTS

Sir,—In your report of the flower show held in the Chamber of Commerce on Friday and Saturday, and reported in your columns on Saturday, there are several mistakes in the sweet pea section. First in the notes you say "an outstanding entry has been made by Mrs. F. C. Garrett, of Cobble Hill," etc.; then in Class 15, twelve named varieties, you say: First, Miss T. E. Garrett; Class 17 bowl of mixed sweet peas, first, Mrs. T. E. Garrett. In each case the name should be Miss F. E. Garnett.

No mention is made of the challenge bowl donated by Dr. A. G. Price for the best exhibit in all the sweet pea classes, which was also won by my daughter, Miss F. E. Garnett.

I have only recently started a nursery garden, and it is very disappointing that we get no benefit from winning owing to the mixup of names. I took special care to see that on the prize cards the name was correct, and I should particularly like to know whether the mistake was made owing to your reporter reading the cards wrong or whether the information was supplied to you by the secretary of the show, as if the latter is the case I wish to take the matter up with him.

E. N. GARNETT.

# RAILROADS REFUSE WHEN BROTHERHOODS REQUEST CONFERENCE

WASHINGTON, Aug. 3 (AP).—The Evening Star said today the railroads have refused a request of the brotherhoods for a general conference to discuss unemployment among rail workers.

The brotherhood, the paper added, in a sharp reply last week through the conference of the Railway Labor Executives Association, rejected a counter proposal by the roads that the question be taken up with the individual lines. They held this would be impracticable.

The Star said the reply to the rail chiefs expressed the view that the railroads were taking an indifferent attitude toward labor problems.

### DEFEAT

Defeat? It is a word upon a page
That those who deal in words must sometimes use;
Unreal as any actor on a stage,
A futile word to all who will refuse
To give it significance or power.
It is a word for daunting coward hearts,
As empty as the drum that in an hour
Of wild alarm still greater fear imparts.

Defeat? It has a sound I do not like,
So on my life's close-written page I set
A line through its dark syllables and strike
Away the error that would vex me yet.
I never know or fear or own defeat,
And so its hollow echoes must retreat.

# THINKS SWERVING WAS DELIBERATE

**Constable So Testifies in Inquest on Chinese Killed by Car on Sidewalk**

VANCOUVER, Aug. 3 (CP).—Testifying before a coroner's jury this afternoon, Constable R. W. Leatherdale expressed the belief that the car which was driven on to the sidewalk Thursday morning in the 800 block East Pender, injuring three Chinese, one fatally, was deliberately swerved from the road to the walk.

The inquest was on Wong Yuen, Jackson Avenue, who died in the General Hospital at 10:30 p.m. Friday from injuries received at 4:50 o'clock Thursday morning. The verdict merely recited that the fatal injuries were caused by the deceased being hit by a car driven by an unknown person on the sidewalk.

Constable Leatherdale testified that tracks showed the car had traveled 132 feet on the sidewalk, and had evidently been under control all the time. D. McGill, East Pender, said he thought the car which hit the three Orientals was a truck.

# JUMPED BAIL OF FIVE THOUSAND

**Warrant Issued for Arrest of Thomas Phillips Wanted on Narcotics Charge**

VANCOUVER, Aug. 3.—Thomas Phillips, Seattle, who faced a charge of having narcotics in his possession, failed to appear in police court today. His bail bonds of $5,000 were ordered estreated, and a bench warrant was issued for his arrest.

Phillips was arrested by Detectives J. Parsons and T. Parks in the west end of the city on July 10 after a strenuous struggle. The detectives had trailed his car around the city and found it parked near an apartment house. Detective Parks, disguised as a choreman, worked about the grounds of the building until Phillips went to the car.

The case was remanded from date to date at the request of Phillips, and was called Saturday when a doctor's certificate declaring the man too ill to attend court, was produced.

A remand until today was then ordered, but Phillips had disappeared and could not be found by his counsel, his bondsman or the police.

# DEFIES STAND OF CLERGYMEN

## Governor of Vera Cruz Still in Heated Dispute With Bishop

(Copyright, 1931, by The Chicago Daily News Foreign Service)

MEICO CITY, Aug. 3.—The Vera Cruz religious conflict tends to become aggravated in view of the intransigent attitude adopted by Gov Adalberto Tejeda, who, in replying to Bishop Guizar Valencia, reclares:

"My government will not fall back before the criminal attitude of the clergy and will carry out its regulatory programme."

Gov. Tejeda expresses indignation because the bishop, in a message demanding protection for Catholic priests, said that the two priests recently killed at Vera Cruz were already catalogued as martyrs, having died for the cause of the church. Gov. Tejeda says that if the recent attempt on his life had been successful, "I should not have been called a martyr by your or yours."

OPENLY ACCUSES BISHOP

Gov. Tejeda openly accused Bishop Valencia of inducing a "fanatical youth to attempt to assassinate me from behind," and says that the recent bloody incidents were "provoked by yourself and the other representatives of that vast mercantile association called the Catholic Church."

He adds that the killing of the two priests was due to the indignation of the people over the attempt on his life and that it was a warning of what the people's ire means when it is provoked.

# CULBERTSON *on* CONTRACT

by *Ely Culbertson*

World's Champion Player and Greatest Card Analyst

## "THE PLAY OF THE DUMMY"

Many a correctly bid hand is defeated at Contract because the Declarer fails to correctly plan the play. In the mental play of the hand, which is what bidding really is, he assumes that at every point he will play the correct card. Bidding, if it is to be accurate, must be based upon carefully planned play of the twenty-six cards by the Declarer, and the time for the Declarer to make his plan is when his left hand opponent leads a card and his partner spreads his hand on the table. The hand below is an example of bidding to the last ultimate trick-taking ability of the combined cards, but the contract would have been defeated unless the Declarer carefully planned his play to the first trick.

**East and West vulnerable; North and South not vulnerable; South—Dealer.**

| | | |
|---|---|---|
| | ♠ A 10 8<br>♥ 8 4 3<br>♦ 10 7<br>♣ J 10 9 7 2 | |
| ♠ K 9 7 4 2<br>♥ K J<br>♦ Q 6 4<br>♣ Q 8 4 | N<br>W E<br>S | ♠ 6<br>♥ Q 9 7 4 2<br>♦ K J 8 2<br>♣ 6 5 3 |
| | ♠ Q J 5 3<br>♥ A 10 6<br>♦ A 9 5 3<br>♣ A K | |

(Figures after bids in table refer to numbered explanatory paragraphs.)

The bidding:

| South | West | North | East |
|---|---|---|---|
| 1NT(1) | Pass | 2♣(2) | Pass |
| 3NT(3) | Pass | Pass | Pass |

1—South does not have a biddable suit, so his only possible bid is No Trump. Some players would bid two No Trump with his hand, but the bid of one No Trump risks little, as he must find his partner with about the strength necessary for a free takeout to go game.

2—North's hand is very close to the borderline between a bid and a pass.

3—South's bid of one No Trump entirely failed to picture the great honor strength he holds. With North's response, which shows at least one honor trick and a biddable suit, South feels justified in bidding for game.

Against the contract of three No Trump, West had no better opening lead than the fourth best Spade. On this the Declarer, of course, plays his lowest Spade from the Dummy, the eight spot, and when East fails to recover, most players would have been inclined to let it go, assured thus of three tricks in the Spade suit. Such a programme would result in defeat. At all costs the Club suit must be established if the contract is to be made, and it would be of little value to establish it only to throw away the established card on the lead of other suits. South, therefore, overtook the eight spot with the spade Knave and immediately drew two rounds of Clubs. He hoped to drop the Queen but did not expect to do so, as there were six of the suit out. The Queen did not drop, but nothing can now prevent the making of nine tricks. West was in on the third round of Clubs and no shift can stop the making of game, South scoring four Clubs, three Spades, one Heart and one Diamond trick.

Had South allowed the Spade eight to hold the first trick and then attempted to establish the Clubs, West could have successfully defended the hand. Two entries into the North hand are required. If, after leading two rounds of Clubs, South led either the Queen or Knave of Spades, West would refuse to cover, South would win the trick, but he would win it in his own hand and the Spade Ace would be the only entry left in the hand. On the other hand, if South led instead, his remaining small Spade, intending to finesse the ten, West would cover with the King and again he would be unable to bring in the Club suit, as the Spade Queen and Knave effectually block entry into the Dummy.

A finesse is an attempt to take a trick with a card not the highest of a suit because of position of other cards in the suit.

**Today's Pointer**

The "Trump-Trick" Rule: Penalty doubles of suit bids below a game contract should not, as a rule, be made without length or strength in opponent's trump.

The Penalty Rule for Suit Doubles: Add the honor tricks (and the trump tricks, if any, in adverse suit) held in own hand to the minimum number of honor tricks shown by partner's bid. Subtract the total from thirteen and the balance will give the trick-taking limit of opponent's contract.

If player expects to penalize the opponents by at least two tricks (the minimum margin of safety for any double) he may double when not expecting a greater profit at own bid.

# INTELLIGENTSIA TREATED BETTER

**Soviet Now Placing Engineers and Technicians on Equality With Industrial Workers**

MOSCOW, Aug. 3 (AP).—Russian engineers, technicians and their families, until recently the "stepchildren" of the Soviet, are to have new privileges, giving them equality with industrial workers in several phases of material conditions in which they have been heretofore somewhat restricted.

The General Economic Council and the Council of the People's Commissars have ordered that new and more favorable living conditions for the first class be put into effect as a further step in carrying out the policy recently announced by Joseph Stalin to attract more of the intelligentsia to the service of the state.

Hereafter they will be placed in the same category as industrial workers, the highest privileged class, in the right to purchase food. Instead of being taxed heavily on salaries above 100 rubles, only those with incomes of 500 roubles or more will now have to pay an income tax of 3 1-2 per cent.

They will be given the same housing space as the workers, and their children will be educated on the same basis as those of the workers. They will receive the same insurance benefits, and it is decreed that, when an engineer or technician is transferred from one post to another, his salary shall not be reduced.

# PLEADS GUILTY TO HOLDUP ATTEMPT

VANCOUVER, Aug. 3.—Lawrence Roulet pleaded guilty in police court to a charge of attempting to hold up the Royal Bank of Canada, Georgia and Bidwell Streets, on July 23, and was remanded to August 7 for sentence.

Roulet, armed with an iron bar, attempted to intimidate W. J. Telford and C. Hull, bank employees, but they resisted and succeeded in locking him in the bank. They kept him there until the arrival of the police. The manager of the bank had been decoyed from the building by a fictitious telephone message just before Roulet entered the premises.

The time used is Pacific Standard for the 120th Meridian west. It is counted from 0 to 24 hours, from midnight to midnight. The figures for height serve to distinguish high water from low water. Where blanks occur in the table, the tide rises or falls continuously during two successive tidal periods without turning.

The height is in feet and tenths of a foot, measured from the average level of low water.

To find the depth of water on the sill of the Esquimalt drydock at any tide, add 13.9 feet to the height of high water as above given.

To find the depth of water on the sill of the Bonsbess drydock add 30 feet to the height of high water as above given.

# FIFTY YEARS AGO TODAY

(From the Daily British Colonist, August 4, 1881)

**Wouldn't Resign**—A funny story comes from Seattle. The new collector of customs at Port Townsend is discharging all the old employees and taking on new officers from his native state of "Indianny." His mode of discharging an official is to request him to resign. A few days ago he sent a note to the customs official at Seattle requesting his resignation as such. To this note the officer returned the answer that Conkling and Platt had resigned and what came of it? Rain. He was not anxious to follow their example and share their fate; so he "guessed" he would not resign. The next mail brought the witty official's dismissal.

New York, Aug. 1.—A newspaper of Mazatlan, Mexico, gives a special account of an explosion in the Government magazine, caused by a man smoking. The building was situated in the centre of the business portion of the town. The explosion completely razed the magazine, and destroyed many houses in its immediate vicinity, besides doing considerable damage to a number of others and killing a large number of people. Seventy bodies were recovered, among them Francisco Pena, district judge. The number killed and wounded is not yet known, as several bodies are said to be still buried under the ruins.

A regular press dispatch says that the whole square was blown up and that many families were buried in the ruins.

City of Mexico, Aug. 3.—The official report of the Mazatlan explosion gives twenty-five dead, thirty wounded and twelve missing.

# DERBY TRIAL CAPTURED BY BARBARA LEE

## Comes From Behind on Stretch to Beat Sam Ischer by Head

### MILLS BRINGS TWO MORE WINNERS HOME

VANCOUVER, Aug. 3 (CP).—Jockey Mills continued riding winners today and rode another double under the wire. It was the same double—Idealia to Bobbie Doyle—the youngster rode the last day at Brighouse Park. The combination ticket was well played and only returned $8.65 for a $2 venture.

Barbara Lee ran the six furlongs of the Derby trial in the fifth to win going away from the rest of the five horses. Sam Ischer ran under the wire just a head behind the winner but was losing ground fast. The winner paid $8.20 across the board.

Woolly Meteor, starting at better than 45 to 1, was just nosed out of the fourth by the fast-closing Bobbie Doyle. She paid one of the nicest prices of the day, returning $21.40 in second berth.

# *Two Women's Swim Marks Are Broken*

NEWPORT, R.I., Aug. 3 (AP).—Two world's swimming records for women were broken yesterday, when Miss Joan McSheehy, Whitensville, Mass., bettered the 220-metre back stroke record, and Miss Eva Bien, of the Womin's Swimming Association of New York, shortened the time for the 700-yard free style event.

The records were made at an exhibition meet held at Newport Beach with representatives of the Amateur Athletic Union as officials.

Miss McSheehy clipped three-fifths of a second from the former record for the back stroke event, which was held by Eleanor Holm, by splashing over the distance in 3:23-5.

Miss Bien traversed the 700 yards in the free style swim in 1:12 3-5 as Miss Lisa Lindstrom, also a member of the New York association and former holder of the record, looked on.

# WINNIPEG MAN HEADS CRICKETERS

## Chris Newton Is Elected President of Western Association

### AUSTRALIANS MAY VISIT DOMINION

**Chris Newton, Winnipeg chief of police, was elected president of the Western Canada Cricket Association at the annual meeting here Monday, succeeding Dean Qualnton, of Victoria.**

The possibility that the Australian test team which is to tour the West Indies in 1932 will visit Canada in May or June on its return home was disclosed at the meeting. The Australian officials wrote to the association intimating their desire to play several games in the Dominion, and the secretary of the Western association was requested to consider the possibilities. The association will also get in touch with the Marylebone Cricket Club, acquainting that famous cricketing body with the conditions of the game in the West, with a view to getting some aid from the Old Country.

Vice-presidents of the Western association were elected as follows: W. C. Mills, Regina; City Solicitor L. W. Brockington, Calgary; J. Price-Smith, Vancouver; John France-Hughes, Winnipeg. D. A. Pink, Winnipeg, was elected secretary-treasurer.

**PROVINCIAL DELEGATES**

Provincial representatives on the executive were chosen as follows: British Columbia, Percy Broadfoot (Vancouver), Hubert Lethaby (Victoria), Reg Wenman (Victoria), H. Edwards (Victoria); Alberta, R. T. Attwood (Edmonton), Reg Hesketh (Edmonton), W. H. Tompkins (Calgary), C. F. Falck (Calgary); Saskatchewan, R. Branks Stewart (Moose Jaw), J. Roney (Saskatoon), W. O. Whitbridge (Moose Jaw), C. V. Parkinson (Saskatoon); Manitoba, R. Bingham, H. Gillespie, J. France-Hughes and D. A. Pink, all of Winnipeg.

In future, provincial associations will elect their own representatives on the executive, it was decided by resolution.

The Western Canada tournament for 1932 will be held in Winnipeg, and the first day's schedule was drawn as follows: Alberta vs. Saskatchewan, British Columbia vs. Manitoba.

Prime Minister R. B. Bennett; C. J. Yorath, Calgary; A. W. Alexander, Victoria, and Hon. W. J. Major, Attorney-General for Manitoba, were elected patrons of the association.

# *Eagles to Meet Fords Tonight At R. Athletic*

With still a methematical chance left to gain a place in the play-offs, Eagles will be out tonight with a strong team, when they clash with the Fords in the Twilight Baseball Leagu at the Royal Athletic Park, at 6:15 o'clock. A win for the feathered tribe will keep them in the running, while a decision against them will mean their elimination from the series. If the Eagles lose tonight, the first round of the play-offs will take place Thursday evening with the Fords facing the Automotives.

# CANADIAN RIFLE TEAM BACK HOME

QUEBEC, Aug. 3 (CP).—Returning from rifle shooting competition in England, where all sections of the British Empire were represented, twelve members of the 1931 Canadian Bisley team arrived here yesterday on the Ascania. The vessel will reach Montreal tonight.

Accompanying the Canadians were fourteen members of the British rifle team coming to Canada at the invitation of the Dominion Rifle Association. They will compete at the Connaught Range, Ottawa, with the leading Canadian rifle shots for a number of larger prizes.

C.S.M. J. H. Regan, of Victoria, B.C., member of many Bisley teams, brought with him a substantial money prize, awarded to the winner of the Grand Aggregate and the bronze medal, captured as winner of the first stage in the King's prize competition.

Sergeant A. G. Fulton, King's Prize winner this year and also in 1912 and 1926, is a member of the British team, which is under command of Sir Lionel Fletcher. Sergeant Fulton, a soldierly figure, whose crisp hair and military moustache show faint touches of grey, spoke of his delight in reaching Canada.

"My plans are very simple," he said. "I am shooting at Toronto and Ottawa until about August 15, then proceeding to Rapid City, Manitoba, near Brandon, to visit my brother. I shall return to England on September 1."

# JOKERS DOWN THISTLES, 3-2

### Westholme League Nine Given Tough Battle by Suburbanites —Was Pitching Duel

Scoring three runs in the third inning, two of them on an error, Jokers started in defence of their Lower Island softball championship last night at the Victoria West Park by scoring a 3-2 victory over the Saanich Thistles, after one of the best games seen on a local diamond this season. It was a pitching duel from start to finish, with Jones twirling for the Jokers and Morgan for the suburbanites.

Score by innings follows:

| | | | | | | | | | | |
|---|---|---|---|---|---|---|---|---|---|---|
| Jokers | 0 | 0 | 3 | 0 | 0 | 0 | 0 | 0 | 0 | —3 |
| Saanich | 0 | 0 | 2 | 0 | 0 | 0 | 0 | 0 | 0 | —2 |

Sidney scored a 14-2 victory over the Canadian Scottish in the Poodie Dog Knockout Cup series, while the New Method Laundry sprung a big surprise by taking the Olympic Recreation into camp by a 17-6 count.

## CARDINALS' FIRST BASEMAN INJURED

ST. LOUIS, Aug. 3 (AP). — Jim (Ripper) Collins, brilliant young first baseman of the league-leading St. Louis Cardinals, injured in Chicago yesterday, likely will be able to return to duty in about three weeks. First reports indicated he would be out for the season.

Collins said X-ray pictures taken in Chicago showed the injury was a severely sprained left ankle, and not a chipped bone as had been feared.

"Sunny Jim" Bottomley, the Cards' first baseman until Collins took his job away from him, returned to active duty.

Members of Victoria Columbia Lodge No. 1, A.F. & A.M., B.C.R., are requested to meet at the Masonic Temple, Fissard Street, on Wednesday, August 5, at 1:30 p.m., to attend the funeral of our late brother, John Acreman. Members of other local lodges and sojourning brethren in good standing are also invited.

J. R. SAUNDERS, Secretary.

## FUNERAL NOTICE

Columbia Lodge No. 2, I.O.O.F.

The members of above lodge are requested to meet in their hall on Tuesday, August 4, at 3 p.m., for the purpose of attending the funeral of our late brother, John McKay. Members of other lodges are respectfully invited to attend.

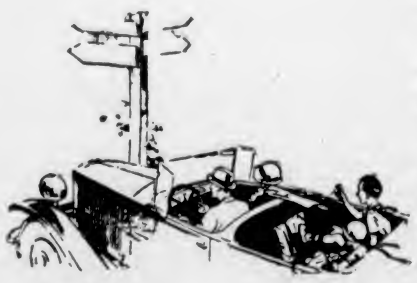

By order of the Noble Grand.

D. DEWAR, Secretary.

# PRINTERS HOLD ANNUAL PICNIC

**Times Staff Wins Softball Contest —Deep Cove Is Scene of Enjoyable Outing**

Nanaimo and Victoria members of the Island Typographical Unions held their annual picnic at Deep Cove yesterday, with ideal weather conditions.

A varied programme of sports events provided excellent entertainment for the day, while the shady trees afforded excellent surroundings for the noon and evening meals.

The Times defeated The Colonist 17-7 in their annual softball struggle. The result was hardly in doubt after the first few innings, but the game was highly interesting until the end.

Some original and startling fashion creations resulted from the novel dressmaking competition, which was won by Mrs. Houston.

The committee in charge of picnic arrangements comprised the following: J. F. Hough, A. Anderson and J. R. Begg. Those assisting were V. J. Baines, J. D. Davidson, J. A. Skellern, L. H. Borde, W. Milligan, A. E. Maggs and D. Clarke.

# SEATTLE MAYOR TO VISIT HERE

**Tells Victoria Aldermen He Will Come During Fall Fair Week**

Mayor R. H. Harlin, Seattle's chief magistrate, once worked in the coal mines at Ladysmith. He played football there and he is coming to Victoria to attend the annual exhibition. Those three things were learned by Alderman James Adam, Alderman W. T. Straith and John Baxter, Mayor Anscomb's secretary, when they visited the Seattle Mayor yesterday morning.

The three made the trip to Seattle in the Royal Air Mail Line's plane, leaving the Capital City at 10:10 a.m. The party spent forty-five minutes in Seattle and were back in Victoria at 12:40 o'clock. Squadron Leader J. H. Tudhope, Canada's premier pilot, was at the controls of the Bellanca plane.

On their arrival at Seattle, they went direct to the mayor's office at the City Hall, where they were cordially received by Mayor Harlin, who promised to visit Victoria during fair week. The mayor is a keen follower of horse racing and intends to spend several days here to see the races at Willows Park. Following an exchange of greetings and reminiscences, the party boarded the plane for the return journey.

## *Arion Club Will Help V.O.N. With Outdoor Concert*

The lovely Summer evenings of the past week suggest fine possibilities for tomorrow night's outdoor concert by the Arion Club in aid of the Victorian Order of Nurses.

From the steps of the Parliament Buildings, beginning at 8:15 o'clock, the choir, under Frank Sehl's direction, will give a programme including the following popular numbers chosen from the club repertoire: "Viking Song," "Three Doughty Men," "Secret Love," "Glorious Forever" (Rachmaninoff march), "He Who Trusts in Ladies Fair"; the two request numbers, "Prayer of Thanksgiving" and "Archers' Marching Song"; "Italian Salad," "Hey Robin" (a new number), "Happiest Land" and "Arion Waltz."

# CIVIL SERVANT IS RETIRING

**Angus B. McNeill, Auditor of Revenue, Recipient of Presentation**

ANGUS B. McNEIL

Angus B. McNeill, identified with the work of the Finance Department of the Provincial Government over the last fourteen years, chiefly as auditor of revenue, is retiring from the service on superannuation, it was learned at the Legislative Buildings yesterday.

Before his long and valued connection with the Civil Service, Mr. McNeill was connected with educational work in the province and taught in Victoria schools. He was the recipient yesterday of a handsome fountain pen and desk set, the gift of his colleagues in the service.

The presentation was made by Miss Keefe, on behalf of the officials of the department and others in the service. Mr. McNeill, who is well known and esteemed in the service, acting for some time as president of the Civil Servants' Association, replied cordially to the felicitations extended by his colleagues.

# EAGLES' OUTING IS BIG SUCCESS

**Nearly 350 Attend Annual Picnic of Victoria Aerie No. 12 at Beaver Lake**

Nearly 350 members and friends of the Victoria Aerie, No. 12, Fraternal Order of Eagles, attended one of the most successful annual basket picnics ever held by the order, at Beaver Lake on Sunday.

The outing was held in ideal weather and with excellent swimming facilities afforded, both young and old spent a most enjoyable day. A lengthy programme of sports events, under capable direction, occupied the afternoon. Musical selections by the 5th Regiment Band, through the courtesy of Lieut.-Col. T. B. Monk, commanding officer, were enthusiastically received and contributed largely to the day's entertainment.

The features of the sports programme were the tugs-o'-war for married and single women and married and single men. In both cases the married team won out, taking two out of three pulls each. Another event that provided much amusement was the nail-driving contest for women, practically every woman at the gathering participating in it. All the sports events were hotly contested, and Judges were required to be on the alert at all times to choose the winners.

The committee in charge was under the able chairmanship of Dr. Hugh Clarke. Those who assisted him were N. Atkinson, J. E. Marsh, G. H. Smith, W. Levy and C. H. Lester.

# ROYAL OAK WILL FACE FAIRFIELD

**Junior Ball Nines to Battle at Athletic Park Tomorrow Afternoon**

Royal Oak and Fairfield will clash tomorrow afternoon, at the Royal Athletic Park at 2:30 o'clock, in the second round of the junior knockout series, sponsored by the Senior Amateur Baseball League. The winners will meet the Rose Street Cougars for the championship. The Cougars earned the right to enter the final by their victory over Sidney last week.

Local officials expect to send the winning nine to Vancouver to compete in the provincial series. Royal Oak, under the managership of Bob Mitzer, will take the field with a strong squad, while Lester Patrick, hockey mogul, is in charge of the Fairfield lads, and hopes to reach the final.

A writer says that "one cat burglar will not betray another." A sort of fellow-feline, we suppose.

# *City and District*

**Named to Board** — W. Schmock, Mrs. M. D. Lintott, and J. R. Campbell were appointed by the Provincial Government yesterday to the Keremoes Columns' Park Board, in the Similkameen Division of Yale.

**Beer by Glass**—Following an affirmative vote on the question, the sale of beer by the glass in licensed premises was authorized by the Provincial Government yesterday in the Edgewood Division of Kaslo-Slocan.

**Chief on Vacation**—Chief of Police Thomas Heatley, head of the Victoria police department, is away from his office on a two weeks' vacation. During his absence Detective Inspector John McLellan is acting chief.

**Council Meeting** — The regular monthly meeting of the Saanich Council will be held Thursday at 8:30 p.m. No business of outstanding importance is scheduled. No decision has yet been made regarding the school board meeting.

**Information Sought** — Esquimalt, while asking the Provincial Police for an estimate of the cost of policing that area under the British Columbia force, had taken no action in the matter yet, pending receipt of the reply, Reeve James Elrick stated yesterday.

**Back From North** — Assistant Commissioner W. R. Dunwoody, of the Provincial Police, returned yesterday from the Peace River area, where he has been on an inspectional tour. Mr. Dunwoody will spend a few days in the city, before returning to the Mainland.

**Motorist Fined**—Pleading guilty to a charge of driving to the common danger on Quadra Street, T. Murray was fined $20 and costs in the city police court yesterday morning. The charge resulted from a collision at the intersection of Quadra and Finlayson Streets last Saturday.

**Held on Drug Charge**—Chan Yew and Han Lim, arrested Saturday by Sergeant Black, of the Royal Canadian Mounted Police, on warrants charging traffic in drugs, will appear in police court this morning. Yew is charged with distributing cocaine, and Lim is held on a charge of having drugs in his possession.

**Woman Injured** — Mrs. M. H. Walker, of South Pender Island, was slightly injured when getting off a street car at the corner of Courtney and Government Streets yesterday evening. She was taken to St. Joseph's Hospital in a C. & C. ambulance, where she was treated for an injured foot.

**On Liquor Charge**—Sidney Jory, Quadra Street, appeared in city police court yesterday morning on a charge of selling beer contrary to the provisions of the Government Liquor Act. He was remanded for one week and released on bail of $500 in sureties. W. A. Brethour appeared as counsel.

**Visiting City** — A Peabody touring party, under the conductorship of William A. Carter, is at the Empress Hotel. There are about twenty in the party. Arriving here on Sunday, the members of the group were taken about the city and environs on sightseeing trips yesterday. They will leave this afternoon for Vancouver.

**Three Fires**—Tar caught fire on the roof of a building at the corner of Langley and View streets late last evening and gave firemen a short but stiff fight before it was brought under control. Two brush fires also occurred. One was at the corner of Fort Street and Foul Bay Road, and the other near the B.C. Worsted Mills.

**Directors in Session** — Regular meeting of the Pacific Great Eastern Railway directors at Vancouver, yesterday, called Premier Tolmie out of town for the day. The Premier returned last evening, immediately after the meeting, which took place at the Hotel Vancouver. The session had been one to consider routine business, and there was nothing to report, Premier Tolmie intimated, on his return.

**Relief Campaign**—To complete preliminary work in connection with the campaign to raise $250,000 for unemployment relief in Victoria City, a special meeting of the campaign committee will be held in the Council Chamber at the City Hall this evening. The campaign, being carried on under the auspices of the Victoria Citizens' Unemployment Relief Fund, was launched last Friday night. Tonight's meeting will be private, it was stated.

**Lands Big Salmon**—Mrs. Harold Wallis, who is Louise Fazenda in motion pictures, secured a seventeen-pound salmon off Moodyville on Sunday. Mr. and Mrs. Wallis have been spending a vacation in Victoria and at Island points. Mr. Wallis is associate executive with First National Productions Corporation. Accompanying them are Mr. and Mrs. Koenig, also of Warner Brothers' studios at Hollywood. The party plans to leave by the H. F. Alexander tonight for Los Angeles.

**Sunday Band Concert**—The band of the 16th Canadian Scottish Regiment, under the leadership of Conductor James M. Miller, gave a very enjoyable concert of ten numbers in Beacon Hill Park Sunday afternoon, commencing at 3 o'clock. The programme was a well-balanced one, and contained, as the feature number, that old favorite band number, "A Hunting Scene" (Bucalossi), for which the bandsmen received the biggest applause of the afternoon. "Iolanthe" (Sullivan), gave the bandsmen an opportunity for displaying their talent. The programme was heard by upwards of 1,500 people.

**City Beautification**—Chamber of Commerce representatives on the Capital City beautification committee, conferred privately with Mayor Herbert Anscomb yesterday afternoon concerning the working of the committee and suggested an early meeting with city representatives. His Worship assured the delegation a meeting could be held at any time and arrangements will be made to that end. The representatives are anxious to revive interest in the beautification scheme, it was stated, following the conference. The Chamber of Commerce members who interviewed the mayor were P. R. Leighton, F. B. Pemberton, C. P. Hill and Reginald Hayward, M.P.P.

**Here on Visit**—A. J. Boreham, who, on his retirement recently, was one of the oldest ticket agents of the Canadian Pacific Railway system, in point of continuous service, was a visitor in Victoria yesterday, accompanied by Mrs. Boreham. Mr. Boreham was for many years city ticket agent at Fort William. He has made frequent visits to the Coast, coming here first in 1894. Bruce Boreham, press representative of the Canadian National Railways at Vancouver, is his son.

**Wednesday Programme**—Through the courtesy of the Victoria Fire Department band, an open air concert will be given at Victoria West Park tomorrow evening, starting at 7:30 o'clock. The programme will be as follows: March, "When the Moon With Glory Brightens (J. Arbuckle); overture, "L'Amour Au Village (Boullion); valse, "Smiles Then Kisses" (Ancliffe); selections from "Mikado" (Sullivan); baracole, "C. Belle Nuit" (Offenbach); intermezzo; "Under the Palms" (Oken); march, "Flag of Victory" (Von Blon); selection, "Tonight's the Night" (Paul Rubens); gavotte, "Wedding Bells" (Rimmer), and march, "The National Emblem" (Bayley).

## *Obituary*

HODGSON—Funeral services were held at St. Barnabas' Church yesterday afternoon at 2 o'clock for George Nelson Hodgson, Rev. N. E. Smith officiating in the presence of many friends. During the service the congregation sang "Jesus, Lover of My Soul." The casket and hearse were covered with beautiful flowers. The pallbearers were A. H. Ridgman, Brooke Vaio, J. M. Johnson, George Hodgson, W. Galt and D. T. Forbes. Interment was made in Ross Bay Cemetery.

YEO—The funeral of John Henry Yeo, who passed away in this city on Friday, will be held this afternoon, the cortege proceeding from the S. J. Curry & Son Funeral Home to Metropolitan United Church, where service will be held at 2:30 o'clock. Rev. E. F. Church will officiate, assisted by Rev. Dr. Clem Davies. Interment will be made in the family plot at Ross Bay Cemetery.

McKAY—The funeral of John McKay will take place this afternoon at 3:30 o'clock from McCall Bros.' Funeral Home. Rev. Bruce Gray will conduct the service, after which interment will be made in the family plot at Ross Bay Cemetery.

HALSALL—The funeral of Ernest Bell Halsall took place from Hayward's B.C. Funeral Chapel yesterday morning at 10:45 o'clock, proceeding to St. Mary's Church, Oak Bay, where service was conducted by Rev. C. H. E. Cropper at 11 o'clock. Among the large gathering of friends attending were W. T. Edwards, secretary; D. Fowler, S. J. Pomeroy and Tom Redding, all representing the British Campaigners; E. Hammil, representing the Victoria Machinery Depot, and R. S. May, representing the City Waterworks. The hymn sung was "Abide With Me," and the casket and hearse were covered with beautiful floral designs. The following acted as pallbearers: W. J. Edwards, H. S. Hammil, R. S. May, W. Champion, J. T. Redding and R. H. Porter. The remains were laid to rest in Royal Oak Burial Park.

L. Bradley. The remains will be laid to rest in the Military Cemetery.

## *Young Cyclist Badly Hurt in Accident*

CHILLIWACK, Aug. 3.—The nine-year-old son of Mr. and Mrs. O. F. Mellicke, Yale Road, formerly of Vancouver, is in hospital in a serious condition as a result of being struck by a motor car about 7 p.m. on Sunday. In company with another boy, he was riding his bicycle along the highway, and on the approach of a car, the Mellicke boy turned to the side of the road and in front of the car. He was knocked down and sustained severe injuries to his head and arm.

"Large-brimmed hats for girls will be popular this Summer," says a fashion note. Except with young men, of course.

"Love is an investment," remarks a writer. It certainly provides plenty of interest.

# WILL INSPECT LOCAL MUSEUM

**Sir Henry Miers and S. F. Markham Making Survey of Institutions**

Carrying on a survey of museums and art galleries of Canada for the Carnegie Fund—a foundation of $10,000,000 dedicated for the support of such institutions, two distinguished personages from England are scheduled to arrive in Victoria today to visit the Provincial Museum, here. They are Sir Henry Alexander Miers, president of the Museums Association, London, England, and S. F. Markham, Labor member of Parliament for Rochester, England.

In so far as British Columbia is concerned, the visitors began their work yesterday in Vancouver, under the guidance of Vancouver curators. If is presumed that the visit to Canada may have some definite purposes, one of them the possibility of Canadian institutions benefiting from the fund, which would include those in British Columbia.

Information gathered preliminary to the present survey shows there are 110 museums and art galleries in Canada, 510 in Great Britain and 1,300 in the United States. Sir Henry and Mr. Markham are expected to spend today in Victoria and leave at midnight for the Mainland.

# *Dead Man Is Found in Gas Filled Room*

Asphyxiation by gas was believed to have caused the death of A. E. Partridge, whose body was found late last night in his apartment suite by Mrs. Elsie Moss, manageress of the Leyland Apartments.

Constables L. Collan and H. Mercer answered a summons put into charge officer by Mrs. Moss. On their arrival they found Partridge sitting in a chear near the gas stove. The jets were turned on, but there was nothing to indicate whether the gas had been allowed to escape by accident or intention.

Dr. James F. Grant was called in and pronounced life extinct, after which Coroner Hart was notified and the body removed to Thomson & Fetterly's mortuary, where the inquest will be held.

Enad Partridge, twenty-two, daughter of the deceased, lives in the same suite, but was absent at the time. She was visiting friends. Mr. Partridge was sixty-nine years of age.

# LIEUT.-GOVERNOR TO SPEAK HERE

**Hon. J. W. F. Johnson Has Accepted an Invitation to Address Victoria Canadian Club**

Singularly appropriate to his recent appointment as Lieut.-Governor of the Province of British Columbia, Hon. J. W. F. Johnson will make his first public appearance in the Capital City as a guest speaker of the Victoria Canadian Club.

John Cochrane, chairman of the speaker's committee of the club, announced yesterday he had received an acceptance of an invitation extended His Honor to address the club members.

The Lieut.-Governor, in accepting the invitation, did not set a date which would be convenient to him, but it is presumed he will address the club within the next three weeks, Mr. Cochrane said.

The Lieut.-Governor is at present in Vancouver and is expected to take up official residence here shortly.

**MATURITY IS SUPERIOR**

Maturity is superior to youth in intellectual productiveness. So Sir James Irvine, Vice-Chancellor of St. Andrew's University, at Fife, Scotland, told the graduates at the recent Capping Day. "The average initial age at which mental activity begins to be productive in any particular direction is not less than twenty-eight," he said. "Divines blossom prematurely, being grouped with artists at the initial age of twenty-four. Physicians and surgeons, at twenty-six, are ranked with chemists, physicists and poets. Naturalists average twenty-seven, and then there is a crowded group including historians, mathematicians, novelists and statesmen who delay displaying their qualities for at least one year longer. Philosophers and reformers are late developers, and humorists are apparently not really humorous until they are thirty-two. Divines work up to their top speed at fifty, while physicians, surgeons and statesmen follow at fifty-two."

It is an open secret that Rudyard Kipling was practically driven by the unceasing importunities of these people to give up his home at Rottingdean, near Brighton, and seek a more secluded place of residence.

On one occasion a pretty young lady buttonholed him at his garden gate.

"Mr. Kipling?" she inquired.

He shook his head resolutely.

"But you are the image of him!" she insisted, and held out a newspaper portrait.

"His misfortune," murmured Mr. Kipling, and vanished.

## VICTORIA GIRL IS QUIETLY WED

### Miss Leonora McCurdy and Mr. Albert Seymour Towell Married Here

Very quietly, only immediate relatives being present, the marriage took place at Christ Church Cathedral at 3 o'clock on Sunday afternoon, of Leonora, second daughter of of Mrs. McCurdy and the late Mr. W. McCurdy, of "Malahat Park," Vancouver Island, and Mr. Seymour Towell, of Nanaimo, eldest son of Mr. and Mrs. A. J. Towell, of Vancouver.

The ceremony was charmingly dignified, being performed by the Very Rev. C. S. Quainton, Dean of Columbia, in the little chapel in the north transept, the alter of which was decorated with gold gladioli. Given in marriage by her brother, Mr. W. Melville McCurdy, the bride looked beautiful in her going-away frock of white celanese flowered in pastel shades, made on slim-fitted lines with flared skirt, and the neckline finished with a graceful scarfichu of the material, fastened on the left side. With this was worn a picture hat of jade mohair, and an amethyst and pearl pendant was clasped around the throat, while the shower bouquet composed of gladioli, sweet peas, stocks and roses, re-emphasized the pastel shades of the frock.

The bride was unattended. Her mother was handsome in a frock of tangerine lace and a hat of ivory French felt, with corsage bouquet of sweet peas, and the bridegroom's mother wore a smart ensemble of figured brown silk with hat of brown Bangkok straw and a fox fur.

**SMALL TEA AT EMPRESS**

Immediately after the ceremony and signing of the register at the Cathedral, Mrs. A. W. McCurdy entertatined at a small tea in the conservatory at the Empress Hotel, at which only the principals and members of the immediate family were present, the table being artistically arranged with gold and flame-colored poppies. When the bride and bridegroom left later in the afternoon for Nanaimo, en route for Vancouver, Banff, and Lake Louise, where the honeymoon is to be spent, the bride wore over her going-away dress a wrap of kitten's cloth in soft green and white shades with collar of light wolf.

Mr. and Mrs. Towell expect to return in about a fortnight's time to Nanaimo, where they will make their home, Mr. Towell being supervisor of the Nanaimo public schools.

The bride has been teaching in the Nanaimo High School for the past two years.

## SAYS RELIGION OLD-FASHIONED

### But Admits European Boys Are More Spiritually-Minded Than American

TORONTO, Aug. 3 (CP).—A sharp difference between the youth of Europe and North America in their approach to religious questions is reported by leaders at the world conference of Young Men's Christian Associations, which has just concluded its sessions here.

"These boys were very sympathetic toward each other," said R. Sorenson, of Chicago, "but they did not seem to look at religion in the same way. The Europeans appear to be so discouraged by their economic distress of the past fifteen years that they have turned back to what we would call old-fashioned religion—emphasizing individual salvation and the appeal to a personal God. They are more spiritually minded than we are."

Russell G. Dingman, of Toronto, chairman of the boys' assembly, agreed with Mr. Sorenson that the delegates from China and Japan fell into the same class as the young men of North America. "Like us," he explained, "they are more optimistic than the Europeans, confident that Christianity can reform civilization and interested in the social aspects of religion."

## Convention Delegates Charmed by Hospitality

### Misses Margaret Clay and A. M. Wigley Enthusiastic Over Reception of Business and Professional Women at Montreal and Richmond

Miss Margaret Clay and Miss A. M. Wigley, Victoria delegates to the annual Canadian and American Federations of Business and Professional Women's Clubs at Montreal and Richmond, Va., respectively, were accorded a warm welcome home last evening at the informal supper meeting of the Victoria Business and Professional Women, held by invitation of Misses B. Stead and E. Thornley, in the beautiful gardens of their home at 420 Cook Street. The event took the form of an al fresco repast in a lovely nook of the spacious grounds and was well attended by club members.

Miss Clay, by special request as appointed delegate of the club, gave an informal account of the social events featuring both conventions, leaving until a later meeting the larger and more comprehensive report of the business proceedings at the two conventions.

**PARLEY AT MONTREAL**

The convention at Montreal was in session from July 2 to 4 and, in addition to the formal meetings, the delegates enjoyed the lavish entertainments arranged in their honor. They were entertained at luncheon at Place Viger, by the civic authorities, and they also attended a luncheon at the Montreal Hunt Club, when Miss Alma Robertson, daughter of Hon. Gideon Robertson, Minister of Labor, was the speaker. Another notable function was the luncheon given by the White Star Line on board Ss. Laurentic, when Col. Wilfred Bovey, head of the educational extension department of McGill University, was the principal speaker.

They rose extra early one morning for a delightful drive up Mount Royal, and on their return to the city were the guests of Lady Eaton, honorary president of the Canadian federation, at a breakfast in the dining-room of the splendid new T. Eaton departmental store in the big Atlantic port.

The final evening of the Canadian conference was featured by the big convention banquet, when 225 delegates sat down to dinner. Miss Agnes Macphail, M.P., addressed the gathering in her own distinctive fashion.

**FUNCTIONS AT RICHMOND**

The Canadian delegates to the conference of the American Federation of Business and Professional Women's Clubs were Miss Dorothy Heneker, of Montreal, Canadian federation president; Miss A. M. Wigley and Miss Clay. There were 1,700 appointed representatives in attendance at the gathering, which opened on July 6 and continued for a week.

Outstanding functions arranged at the Richmond convention in compliment to the visiting delegates included a delightful luncheon at the Richmond Country Club and the international federation banquet at which 1,600 members sat down to a sumptuous dinner. Miss Lena Madesin Phillips, international federation president, was the principal speaker on this occasion.

**PRESS ENTERTAINS**

Another particularly noteworthy event on the convention calendar was the big dinner given by the press section of the American federation for the visitors. Miss Martha Shuler, editorial writer of The Christian Science Monitor, presided over this function, and notable speakers included the editors of Good Housekeeping, Pictorial Review, Ladies' Home Journal and Woman's Home Companion.

Glowing appreciation was expressed by the visiting delegates on the wonderful hospitality and kindness experienced in both convention centres.

## Sun Lamps Now Available for Household Lighting

By HANNAH WING

They're something new in lamps in so far as their general usage goes. It's a combination of violet or sun-ray lamp and a regular illumination lamp such as the bulb you use to light your home. It has all the appearances of the general 50-watt household lamp and, although not as inexpensive, it may be considered virtually cheap in comparison with the general health lamps now on the market.

Admittedly, it is not as strong as the present large sun lamps which give you a coat of tan by exposing yourself to them a few minutes each day. But as we say, that is not its purpose. Its purpose is to impart some of the benefits of the violet ray while at the same time providing general illumination.

**NEW PRINCIPLE**

A very radical departure in the art of lamp making is embodied in this new lamp, perfecting a new principle of producing ultra-violet. It does not have an exposed tungsten filament, but consists of two oxide tubes heated internally by a wire coil and placed side by side in a bulb filled with a rare atmosphere of argon and mercury vapor. When the current is turned on, a peculiar discharge forms between the rods or electrodes, and the entire interior of the bulb seems filled with a blue haze.

Through a careful regulation of the density of the gas, and the kind of glass bulb enclosing it, only the healthful ultra-violet is permitted to escape, this being about the equivalent in quality of June sunshine on a very clear day.

**HAS MANY USES**

The lamp is designed for the dual-purpose interior lighting fixtures. One or several of these lamps may be built into a ceiling fixture or used as bracket lights, either with or without the visible illumination, and arranged to irradiate persons in homes, offices and factories with any amount of ultra-violet, depending upon the height and spacing of the units. Since they cause little or no glare, they will probably be employed in open reflectors, these preferably of chromium or aluminum.

## Smart Salads That Are Simple to Make

By HANNAH WING

The smart salad appears most frequently with a French dressing. To be quite right, French dressing must be combined to your taste. No law can be laid down giving the exact proportions even of the oil and vinegar. Three to one is merely a safe average, and, even though you cannot better the classic seasoning, you can alter it occasionally. You can add mustard to your vinegar, in which case the quantity of oil must be increased; you can work the yolks of hard-cooked eggs into your dressing, scattering the chopped whites over the finished salad. A dash of Worcestershire or soy adds piquancy and is excellent with endive. In the French countryside, cream and lemon juice often take the place of oil and vinegar. Shallots and spring onions and even nasturtium leaves can take the place of chives.

**ENDIVE AND ORANGE**

Wash the endive and cut each stalk in two. Peel two oranges, first thinly to remove the yellow rind, then completely. Stack the peelings of rind, and cut to fine straws. Place in cold water, bring to a boil and boil three minutes, to take away the bitterness. Drain and cool. Next, with a sharp paring knife, cut the pulp of the orange away from the bitter inner skin in slices. Blend half a teaspoonful of mustard and a cupful of thick cream; season with salt and cayenne pepper and whatever orange juice has escaped in the cutting. Mix the oranges and endive in a bowl, pour the seasoned cream over them and mix thoroughly. Sprinkle the top with the strips of orange peel and serve. This salad is excellent, particularly with cold duck, guinea or game.

**CUCUMBER AND EGG**

Peel the cucumbers and quarter them lengthwise. Then, cutting crosswise, slice them thin and salt them liberally. Let them stand an hour, then pour off the water given up by the cucumber, run cold water over them to remove any excess of salt and dry them on a clean cloth. Have ready three hard-cooked eggs. Mix the crushed yolks of two of them with the dressing of oil and vinegar and pour over the cucumbers. Arrange on lettuce leaves, sprinkle the top with the two whites of eggs chopped fine. Finish with the remaining egg cut in quarters.

**HEARTS OF PALM**

Arrange hearts of palm on lettuce leaves, the smallest and crispest only. Prepare a mayonnaise with lemon juice, mix with it two tablespoonfuls or more of green asparagus tips, cooked and passed through a fine sieve. Pour over your salad and serve.

**MERE FILIOUX SALAD**

Take as many hearts of artichokes canned in oil as you have persons. Squeeze lemon juice lightly over them. Dress one or two heads of lettuce, rejecting all but the crispest leaves, with a thin mayonnaise well seasoned with mustard. Arrange the lettuce in a bowl and on it place the hearts of artichokes. Cover each with a slice of truffled pate de foie gras, likewise cut to a round. Serve immediately.

## Women's Institutes of Vancouver Island

**SHAWNIGAN LAKE**

A very successful bazaar was held in the grounds kindly lent by Mrs. Finlay on the afternoon of July 25. A marquee was kindly loaned by the Department of Agriculture. Mrs. Gordon, provincial president of women's institutes, declared the bazaar open.

The following ladies assisted at the various stalls: Mrs. F. Gannon, Mrs. Elford, Mrs. Layton and Mrs. Muskett at the jumble stall; Mrs. Macdonald, Mrs. Beeson, Mrs. Beasley, Mrs. More at the fancywork stall; Mrs. Alexander, Mrs. Gardiner, Mrs. Heggie and Mrs. Reeves at the home cooking stall; Mrs. Eardley-Wilmot and Mrs. C. Cooper had a wondrous time at the spinning-jenny while Mrs. Dyson ably served ice cream and lemonade which found a ready sale owing to the warm weather. Miss Molly Hawking and Mrs. Stewart sold fancy boxes of home-made candy. Mrs. Kingsley, assisted by Mrs. Hollings, Mrs. Maitland and Mrs. H. Twist, served delicious tea throughout the afternoon. Mrs. Winter sold tickets for dressed chickens and Sammy Dyson for a pair of Chinchilla rabbits.

The proceeds, together with generous donations from Mrs. Angus, of White Lodge, from Mrs. Christison, a former member now in Scotland, from Mrs. Hughes, of Mill Bay and from Mrs. Wheelton amounted to eighty-five dollars, after paying the few expenses incurred.

**Distribute Gifts** — Frederick Landsberg, accompanied by R. M. Angus, visited the Home for the Aged and Infirm Men last night, making the monthly donation of $2 per man to all non-pensioners. Cigars, a regular monthly gift from G. A. Merrick, were also distributed to all residents.

"Lunch—a most important meal for salesmen"

"When you're on the go all day long, the food you eat for lunch must be chosen with care. Don't eat heavy foods that make you warm and slow you down in mid-afternoon. Eat nourishing foods—of course—but don't overload. I usually order Shredded Wheat with berries or other fresh fruits for lunch. There are enough combinations with Shredded Wheat to give you variety. Try it for lunch today."

## Victoria West Church Scene of Quiet Wedding

The wedding of May Irfonwae, eldest daughter of the late Mr. T. Lewis and Mrs. Lewis, 669 Pine Street, and John, youngest son of Mr. and Mrs. A. McLennan, Market Street, was solemnized last night at 8 o'clock, in the Victoria West United Church, Rev. W. E. Galloway officiating. Mrs. R. Nason played the wedding marches, and as the register was being signed, Mrs. W. C. Williams sang "Promise Me."

Late Summer flowers were beautifully arranged in the church for the event.

Given in marriage by her brother, Mr. David Lewis, the bride looked charming in her wedding gown of soft eggshell satin. It had a high-waisted bodice with close-fitting split sleeves to the elbows, which then fell gracefully to the wrists, the neck and sleeves being edged with brilliants. The flared skirt was ankle-length. Her veil of embroidered net was arranged with a wreath of orange blossoms and fell in soft folds to the floor, and she carried a shower bouquet of Ophelia roses, carnations and sweet peas.

**ATTENDED BY SISTER**

There was one bridesmaid, Miss Celia Lewis, sister of the bride, who wore a pretty frock of sky blue flat crepe with ankle-length flared skirt, tight bodice and coatee edged with fur. She wore a white hat trimmed with blue flowers to match her frock and carried a bouquet of gladioli and sweet peas.

Mr. James Riddle supported the groom, and the ushers were Mr. Alec McDonald and Mr. James Robertson, all three being members of the Victoria Fire Department, of which the groom is also a member.

A largely-attended reception followed the ceremony at the New Thought Temple, which had been lavishly arranged with flowers and greenery. The bride and groom stood beneath a floral arch to greet their friends, and they were assisted by Mrs. Lewis, in a smart gown and hat in shades of fawn and brown. The three-tier bride cake centred the daintily-appointed supper table, which was served buffet fashion.

After a honeymoon tour of Vancouver Island, Mr. and Mrs. McLennan will make their home on Market Street. The bride left in a frock of fawn crepe de Chine, with a mohair hat to match and a navy blue coat with a fawn scarf collar of crepe de Chine. Among the beautiful gifts received was a silver tea service from the staff of the Hudson's Bay Company, where the bride had been employed.

## FORMER VICTORIA GIRL MAKES MARK IN BANKING WORLD

A former Victoria girl, Miss M. Belle Hastie, who was educated at Victoria High School, McGill University, the Normal School and Sprott-Shaw Business College, Victoria, is the subject of a glowing little character sketch in The Southern California Banker of July. Among other things the tribute says that "the poise and training obtained through educational advantages on her native heath, together with banking experience, make her a very valuable member of the personnel of the California Bank. The women's committee will have big and important things to do this next year—convention year—and we know that Miss Hastie can be counted on to see that they are put over. By her friendly manner and keen interest in the work of the chapter she will draw the united co-operation of all committee members."

After sixteen months in the Washington Street branch of the California Bank, Miss Hastie was appointed secretary to T. E. Ivey, Jr., vice-president, in the head office of the bank, where she has served for more than six years.

## FASHION FLASHES

By ALICE ALDEN

It does help to wear a red and white frock, if one is depressed. Just try it sometime. For instance, could one help being cheerful in a frock of white organdie embroidered in red motifs with a deep ruffled bertha of white organdie edged with red. At the waist of this happy frock is a red patent leather belt from which droops a cluster of cherries.

It's here at last, that riding habit a sheared lapin about which so much has been heard. We saw it in the form of a shirt of sheared lapin in a creamy beige worn with breeches of the same fur in deep brown. With this smart riding outfit is worn a beret of the beige fur.

Right into the net march the devotees of smartness. Nice for warm evenings is an evening frock of pink net with a short sleeved bolero of pink lace and net. The frock has a belt of twisted green velvet ribbon and the hem is of pink lace.

A speedy affair is the handbag of black antelope with a handle in the form of a silver metal racing whippet. Another smart model is of stitched beige crepe de Chine mounted on a frame of carved coral.

Right in step with smartness is a dancing sandal made of gold kid straps. There is a topaz ornament at the instep and the heel is made of carved wood gilded.

It isn't dangerous but it's quite exciting—the long glove of black antelope with a design of serpents and leaves done in green, black and silver sequins.

Necklaces made of massed beads in flowers and leaves are growing in charm and importance. Smart, too, are bead necklaces with flowers, fruit and leaves in colored glass. One necklace of orange and brown beads with alternating rondels of white and green has a massed group of red glass flowers with green leaves.

A perfect picture of an evening bag is to hand in the form of a bag of cloth embroidered with a willow tree in gold thread and green jeweled effects. It has a frame of gold filagree and a twisted gold braid handle.

The smart and lovely combination of black and pink always come back. But it must be most carefully handled. We saw an exquisite afternoon frock of black broderie anglaise on black ninon mounted over a pink taffeta foundation. The foundation was much shorter than the frock.

Done to a crisp are the new cottons. Smart is an afternoon frock of plain yellow organdie combined with eyelet embroidery on organdie of the same shade. The two fabrics are joined together in diagonal sections. There is a twisted wisp of organdie with a tiny bow at the waistline.

Better than ever for smart wear are frocks of crepe de Chine. A new model for afternoon wear is of heavy pink crepe de Chine with a deep cowl collar, that reaches to the waist in front, of indigo blue. There is a scarf in both colors and a blue suede belt.

You must enjoy the hat with a crocheted crown these days. Smart is a model with a crown of white crochet and a black pedal straw brim inserts of the crochet. The brim is rolled back and held in front by a flat white flower.

## CEREMONY UNITES CHURCH WORKERS

**Rev. John Mayer, of Mayne Island, Weds Miss Beatrice Taylor at Cathedral**

Of particular interest in Anglican mission circles was the marriage solemnized yesterday afternoon at 2 o'clock at Christ Church Cathedral between Beatrice, only daughter of the late Charles William Taylor, and of Mrs. Taylor, Prittlewell, Essex, England, and Rev. John Mayer, rector of Mayne Island. Right Rev. C. deV. Schofield, Bishop of Columbia, officiated at the service, assisted by Ven. Archdeacon E. P. Laycock.

The bride for the past three years has been a popular voluntary worker at the Anglican Chinese Mission in Victoria, while the bridegroom was appointed rector of Mayne, Pender and Gabriola Islands about five months ago, coming here from Northern Alberta, where he had been in charge of a very large mission field.

**BRIDAL PARTY**

Entering the church to the strains of the wedding march played by Mr. Stanley Bulley, cathedral organist, the bride, escorted by Mr. S. H. Brake, who gave her in marriage, was charmingly attired in her wedding gown of ivory satin simply fashioned on long slender lines. She wore a veil of embroidered net and lovely old lace, confined to her head with orange blossoms, and she carried a bouquet of pink rosebuds and white sweet peas.

Her only bridesmaid was Miss Elizabeth Chapman, who was attractively gowned in printed chiffon with becoming hat and carried a sheaf of baby gladioli in palest pink. Two little Chinese girls from the Anglican Chinese Mission, Mabel and Gladys Chan, were flower girls, dressed alike in dainty frocks of embroidered peach silk made with the deep bertha collar, wearing hats of peach organdie, and carrying baskets of flowers. Mr. H. Laurie Houlgate, of Mayne Island, supported the bridegroom.

**RECEPTION HELD**

After the ceremony an informal reception was held in the garden at Bishop's Close, Mrs. Schofield assisting the bride and bridegroom in receiving the many guests. A buffet luncheon was served at a table attractively arranged with flowers and centred with the handsome wedding cake, which had been made by the bride.

Later Rev. and Mrs. Mayer left for Orcas Island, where the honeymoon will be spent, later taking up their residence at Mayne Island.

GEORGETOWN, S.C., Aug. 3 (AP).—Nineteen persons, seventeen of them negroes, were drowned tonight when a truck plunged through an open drawbridge on the Sampit River near the Georgetown city limits.

## Clubs and Societies

**St. Mark's Guild**

At a meeting of St. Mark's Guild held last week, business connected with the garden fete held in Mrs. F. M. Riddell's grounds on July 16, was completed. The amount taken on that day was nearly $600. The three organizations interested, St. Ann's Women's Auxiliary, Parksville; St. Mary's Guild, Errington, and St. Mark's, Qualicum Beach, each received a substantial sum, Mrs. Page's embroidery stall also contributing to the proceeds.

## LAWN BOWLERS ENJOY BANQUET

### Nanaimo Celebrates Winning of Three B.C. Championships at Vancouver

NANAIMO, Aug. 2.—A banquet was held in St. John Hall last evening by the members of the Lawn Bowling Club in honor of their fellow members who brought three British Columbia championship cups t. Nanaimo, won at Vancouver during the British Columbia bowling tournament. Dave Ewens won the singles championship of British Columbia, and, as skip, with Joe Barton, R. C. Barrie and Jack Robertson as a team, was also successful in winning the Nabob Cup, which carries with it the rink championship of British Columbia for places outside of Vancouver. Joe Barton as skip, with A. Baker, R. Gilfillan and Jack Robertson won the Nelson Cup, emblematic of the open rink championship of British Columbia.

A fine banquet was prepared by the ladies' club, and was thoroughly enjoyad. Following the banquet a fine programme was rendered between the various toasts, being contributed to by J. Whitelaw, Ernie Mallins, Joey Arsenau, W. English, Adam Hedley, G. Moore, G. Carson, C. Marsh and A. Honeymoon; Dave Arnett acting as accompanist, while Alderman Dixon was chairman and toastmaster.

Among those present were Col. C. W. Villiers, John Hunt, Thomas Graham, T. Scott, T. Cunningham and several members of the Cumberland Lawn Bowling lub. The toasts were: "The King," "Our Cup Winners," responded to by R. C. Barrie and Joe Barton; "Canadian Collieries," responded to by Col. Villiers; "Our Guests," responded to by Thomas Graham, and "Nanaimo," responded to by W. Carmichael.

## IS KILLED ON WAY TO PICNIC

### Norma Neummela Has Skull Fractured When Car Leaves Road

NANAIMO, Aug. 2.—A fatal accident occurred on Haliburton Street extension this morning, which resulted in the death of Norma Neummela, aged fifteen.

The accident occurred when a "bug," driven by Joseph Addison, leaped through the guard railing and plunged down a fifteen-foot embankment, landing against a stump. The girl received a fractured skull and death was almost instantaneous.

Reports to the police are to the effect that the young couple were en route to a picnic, when the accident occurred, and it appears Addison was attempting to pass a motorcycle, driven by Clifford Blackstaff, and in some manner lost control of his car and plunged over the bank.

## BOARD OF TRADE PLANS FOR FETE

### Sidney to Celebrate on Labor Day —Annual Swimming Gala This Month

SIDNEY, August 3.—At a meeting of the Sidney Board of Trade held on Friday evening, it was decided to hold the annual swimming gala some time during the month of August, and a fete day at the Experimental Farm on Labor Day. Committees were appointed to organize both these events.

Notice was received that the Provincial Government has now recognized Rest Haven as a public hospital and that this institution will now receive certain grants under the Hospitals Act. A letter was read from the manager of the hospital thanking the board for its efforts on their behalf in this matter.

Report was made of the progress of the committee's work in connection with the proposed arch to the district. Approval of the scheme has been given by the Department of Public Works, and following certain modifications in the design, the work will commence in the near future.

Following the work of the fire protection committee, the reorganization of the volunteer fire brigade has been completed, with A. Critchley as fire chief. Active subordinates have been appointed, and arrangements made for practice drills.

The thanks of the board were extended to the fire departments of Victoria and Saanich for their ready response on the occasion of the recent fire in Sidney.

It was decided to ask the Department of Marine to mark a rock at the entrance of Roberts Bay which, being submerged at high tide, has been the cause of much misfortune to pleasure craft and tugs in the past.

The publicity committee reported its endeavors in the matter of the publication and distribution of the folder in North Saanich during this Summer.

They were having their first quarrel.

"George," she hissed, "you are like other men—a mere, fly."

"And you," he retorted, "are like other women—a mere flypaper."

"What do you mean," she shrieked.

"Ah," he grinned. "Let me explain. You see, the fly is attracted by the flypaper, hovers around it, and finally settles on it. And there he stops to have his leg pulled for the rest of his life."

## That Body of Yours

*By James W. Barton, M.D.*

**MOST FREQUENT CAUSE OF SEVERE INDIGESTION**

Your doctor will tell you that in so far as his office practice is concerned "indigestion" is the complaint in most of the cases. Where he visits the homes there will be more cases of rheumatism, bronchitis, influenza and other ailments, but "indigestion" forms the bulk of office practice.

Perhaps you have an idea that indigestion always means something wrong with the stomach, but in 500 cases of indigestion investigated by Dr. W. C. Alvarez, of the Mayo clinic, only twelve cases of organic stomach trouble were found.

Another interesting fact was that of the 500 cases, only 175, or one in three was there an organic disease of the digestive tract itself. In other words, in two out of three cases of indigestion the trouble was outside the digestive tract altogether, and was due to "nervousness," usually inherited, intestinal worms, migraine, nervous vomiting, and so forth.

The most common cause for severe indigestion was inflammation of the gall bladder.

Now while this may be due to various infections in the system—influenza, tonsilitis, severe colds, from infected teeth—the organisms of which are not completely removed from the blood as it passes through the liver, nevertheless a great many cases are due to constipation, and the fact that the circulation of blood in the liver is sluggish due to lack of exercise. As you know, the formation of stones in the gall bladder is now not any more common in women than in men, since the women stopped wearing the high corset which so crowded the liver and gall bladder that there wasn't much free movement.

What is my thought?

That as the liver and gall bladder are to blame for most cases of severe indigestion, that the simplest way to keep free from indigestion is to see that the liver gets moved and squeezed. Simply bending from side to side with knees straight, twenty times each side, night and morning, will aid the circulation of the blood in the liver, and force the flow of bile from liver and gall bladder into intestine. And when sufficient bile is forced into the intestine it acts as a natural purgative and prevents constipation.

Taking deep, long breaths also squeezes the liver and gall bladder as this forces the floor of the chest against them.

By keeping meals well apart, not eating too much food, and taking regular exercise, you should keep pretty free of indigestion.

"Talk about coincidences," said the punter, "one that happened to me occurred on the fourth of the month. I happened to live in the fourth flat in the fourth house in my street. I liked the look of the horse that was No. 4 on the card, so I backed it."

"And it won?"

"It came in fourth."

**Royals Surprise Fans by Easy Victory Over East's Strongest—Two-Game Series Ends in Favor of Coasters by 5-0 Count—Turner Scores Once and Findler Nets Pair**

### 6,000 Spectators Watch Last Match

By ELMER DULMAGE
Canadian Press Sports Writer

**WINNIPEG, Aug. 3. — Just as though they were the mighty Royals of old, supreme soccer squad in Canada during the last three years, New Westminster's football remnants today blanked the strongests in the East, Toronto Scottish, and won a Dominion title they weren't granted a chance to take a few weeks ago. If they lacked anything that historic team from the British Columbia town had, the new Royals easily fooled 6,000 fans as they outclassed Scottish to win 3-0 in the second game of the Dominion finals.**

An attack more potent and more sensational than they flashed to whip the Blue Scots from Toronto in the first series contest last Thursday, 2-0, baffled the Easterners this afternoon. Playing football on a par with anything the titled Royals of 1928 and 1930 were capable of, the Westminster team, its starry ranks depleted by suspensions, ran wild through a demoralized Scottish side that fought futilely for even a single goal.

**Royals completed an amazing conquest of the Dominion's football elite to stand atop the widespread field for the third time, oftener than any other team. And not since the Norwood Wanderers, of Winnipeg, swept up two straight titles in 1913-1914 has a champion aggregation been able to defend its crown. Westminster did it with five players unable to take part in the play-downs because of suspensions the British Columbia Football Association refused to lift.**

After a shaky start today, the British Columbians settled down early in the first half, broke through the Scottish defence and hammered in a goal before half-time. They added two in the second period, a pair of brilliant counters that resulted from passing plays.

**TORONTO GOALIE STARS**

Chief obstacle to the champions was Art Halliwell, rotund veteran in the Toronto goal. The big fellow robbed Westminster marksmen of three goals in the first half and a half-dozen in the second, snatching the flying leather as he skidded on his stomach across the goal-front. The trio of drives that beat him were well out of reach.

Dave Turner, black-haired captain of the Par-Westerners, netted the first midway through the initial session. He trapped a loose ball five yards in front of Halliwell, aimed carefully and unloosed a low shot that caught the corner of the net. Dave Kerr, his front-line partner at outside right, provided the pass.

Brought to Winnipeg in a hurry for the final series, Bill Findler got his shooting machinery in gear in the second half and climaxed the classic with two goals. The first he laced past Halliwell after Turner and Hammond had worked the ball through the Scot backs. The second he fired from twenty-five yards, a mighty shot that barely skimmed past the goal-post.

**SANFORD PEPPERED**

In flashes, the Eastern champs were dangerous, and late in the second half, instead of being a beaten team, peppered Sanford with a variety of shots that allowed the curly-headed Westminster goalie a chance to share the triumphal limelight with his pals. Stevens, light-touching Toronto centre forward, missed two openings in the first half with wild shots after he had dribbled between the Royal backs.

Somers held up the Scot defence from his centre half position, and Graham and Weir checked hard; but the veteran Westminster halves, led by old Dick Stoddart, were too canny for the Eastern forwards. In front of Sanford, Makepeace and Hogg were steady—just as firm as the famous Anderson-Strang backfield of other-year Royals.

## SONS DOWN EAGLES BY 16-4 COUNT

**Canadians Pound Ball Hard to Take First Play-Off Fixture**

### HOLDEN HITS HOMER; ROY HAINES SHINES

HITTING the offerings of the veteran Bill McDonald to all corners of the field, Sons of Canada took the first of a three-game series in the first round of the Senior Amateur Baseball League play-offs last night at the Royal Athletic Park by defeating the Eagles, 16-4. The Canadians were in a mean mood from the second frame on and pounded the ball hard until the sixth when they calmed down with a wide lead to coast home on.

On Wednesday evening the same two clubs will clash in the second fixture at the same enclosure. A victory for the Sons will give them the series, while a decision for the feathered tribie will make a third game necessary. The winners will battle the Elks for the local championship in a special engagement.

Leo Holden went the distance for the Sons and although he walked six, he was never in danger after the third inning. He fanned eight and allowed five safeties. McDonald lasted four frames for the Eagles and Holness was rushed in to repulse the hard-hitting Sons.

**EAGLES SCORE FIRST**

For two innings it looked like a ball game but after that it was just too bad for the Eagles, for Manager Jack Bacon threw his machine into high gear and never slowed down until the end. After a scoreless inning, the Eagles scored three runs in the second, but the Sons came back in their half to drive across four runs to take a lead which they never relinquished.

Two features marked the game. The first was a circuit drive over the centrefield fence by Holden in the fourth canto, with Bacon and Holman on third and second, respectively. The second was a marvelous one-handed running catch of Love's long drive to right field by Roy Haines. It was a great piece of work and Haines received a big hand from the crowd as he came into the dugout.

## *Reunion of J.B.A.A. to Take Place*

Reminiscences of other days will be renewed by former members of the J.B.A.A. when they gather at the club's headquarters at the Gorge on the evening of August 17, to attend the monster reunion of the association. Preliminary plans were completed by the committee yesterday, and everything will be in readiness for the function before this week is ended. The gathering will commence at 8:30 o'clock, and all old-time members are requested to attend to recall their experiences, which will make the evening interesting.

### CARNERA-ROBERTI TEN-ROUND BOUT HALTED BY RAIN

NEWARK, N.J., Aug. 3 (AP).—Rain tonight forced postponement of a scheduled ten-round bout here between Primo Carnera and Roberto Roberti, Italian heavyweights. The bout will be held tomorrow night.

EXPLANATION FOR SUNDAY'S RIPLEY CARTOON

**The Bull That Swam Forty Miles**—Kelmscott Juggler, 51st, a prize bull of the Kelmscott herd of dairy Shorthorns, owned by Robert W. Hobb & Sons, Kelmscott, Lechlade, Gloucestershire, England, was sold for export, and the boat on which he was being shipped was torpedoed off the coast of Ireland. The bull swam forty miles to shore, none the worse for his experience, but on his second shipment to the Argentine the boat was torpedoed and he was drowned.

## FORMER DEFEATS SASKATCHEWAN XI IN EASY FASHION

**British Columbia Representatives Down Prairie Side by Innings and 47 Runs as Interprovincial Tournament Opens Here—Large Crowd at University School Grounds**

### *Alberta Credited With First Innings Win Over Manitoba*

**British Columbia made a good start yesterday in its effort to win the Western Canada cricket championship for the sixth time since the war, when the province defeated Saskatchewan by an innings and 47 runs in the opening maich of the tourney being played this week on the University School grounds here. The home province scored 231 for nine wickets, and forced Saskatchewan to follow on after an initial innings of 101. In the second attempt, the Prairie team fared worse, scoring only 83.**

**Alberta, last year's champions, skittled out Manitoba for 48 after having netted 110. In the second performance with the bat, Alberta declared at 109 for five wickets, and when stumps were drawn, Manitoba had only scored 34 for seven, Alberta taking full points for a first innings' win.**

The British Columbia bowling machine proved much too strong for Sasketchewan, with the exception of Ball, who scored 62 out of the losers' total of 101. The first three wickets fell for 5 runs, but Ball and Parkinson staged a rally and took the tally to four for 45, when Parkinson was dismissed. Bullen had the best bowling average on the British Columbia team in the first innings, taking three for 17.

**WENMAN BLANKED**

Victoria's star batsman, R. Wenman, lost his wicket the third ball of the first over when no runs had been scored, but then British Columbia batted consistently and passed the Saskatchewan score with seven wickets in hand. Bullen, of Vancouver, was top scorer with a well-played 55, while Dobbie, of Cowichan, batted for 35.

Sensational bowling by Alberta's captain, T. L. Wright, featured Alberta's victory over Manitoba, the skipper taking eight wickets for 18 runs. Newton was top scorer in this match, his 46 for Alberta being a splendid contribution. Manitoba's captain, Bingham, scored half his team's total, and was undefeated when the tenth wicket fell.

Saskatchewan plays Alberta today, while Manitoba meets British Columbia.

**EXCELLENT SETTING**

**Playing the tournament in Victoria for the first time since the war, a good crowd turned out on the opening day and was treated to some interesting cricket. Both wickets on the University School grounds were in excellent condition, and the surroundings were among the best in Western Canada.**

**Mayor Herbert Anscomb officially opened the tournament, welcoming the visitors to Victoria.**

Victoria shared honors with Vancouver in representation on the British Columbia side, and the local players contributed largely to the province's success. Eric Quainton batted prettily for his 30, while Wilkinson bowled well in both innings, taking two for 14 in Saskatchewan's first time at bat, and two for 31 in the second.

**Sparks, one of the best batsmen on the British Columbia line-up, unfortunately wrenched a muscle while fielding, and did not bat. His injury will keep him out of the game today, the selectors giving him a chance to recover for the critical game with Alberta tomorrow.**

**WICKETS FALL FAST**

Wickets fell fast and furious, Saskatchewan losing the first three men when only 5 runs were on the board. Despite Ball's heroic effort to stem the rot, British Columbia's bowlers easily kept the upper hand, and only two batsmen reached double figures. Bullen took three wickets for 17 runs, and Wilkinson two for 14, and Ivimay two for 23.

Disaster early met the home team, Wenman being clean bowled the third ball of the opening over by Ball. Eric Quainton and Scott, however, nullified Saskatchewan's early success, taking the tally to 53 in a second wicket stand. Bullen and Dobbie featured in a fourth wicket partnership which took the score to 142, and the rest of the British Columbia team played a merry tune on the Saskatchewan bowling, closing the innings at 231 for nine.

Rhodes was unplayable in the second innings, capturing four wickets for 7 runs. Ivamy took two for 3 runs, and Wenman clean bowled Wilkinson, his wicket costing 9 runs.

**MANITOBA LOOKS STRONG**

Alberta's batting was a little spotty in the middle after Falck and Newton had put on 41 for a first wicket partnership, three batsmen being sent back without any addition to the score. Manitoba, in their initial performance, appeared a strong bowling and fielding aggregation. Three young players are playing for the first time in a provincial tourney.

Against Wright, however, the Manitoba batsmen proved helpless, the first seven wickets putting on only 24 runs. Bingham stopped an absolute collapse, his innings of 24, not out, being the only one to reach double figures.

In the second time with the bat, Alberta scored 109 for five wickets declared, Cartwright being top scorer with 47 not out.

Manitoba's second knock was more disastrous than their first, 34 runs for seven wickets being marked on the score board when stumps were drawn.

## RODIA LEADING IN WASHINGTON

**Has Two-Stroke Edge Over Christian and Pursey in Open Golf —Brown Low Amateur**

BROADMOOR GOLF CLUB, SEATTLE, Aug. 3 (AP).—Three former champions set the pace in the first thirty-six holes today of the seventy-two-hole Washington State open golf tournament with Frank Rodia, Seattle, leading the field with a card of 143 on his home course. The other thirty-six holes will be played tomorrow.

Neil Christian, Portland, and Walter Pursey, Seattle, two other titlists of recent years, followed Rodia with 145 each. Rodia was three over par with a 73 in the morning and around again in the afternoon with a perfect 70. Christian was 75-70 and Pursey 72-73. All are professionals.

Francis H. Brown, long-driving Honolulu star, was the low amateur with 147. He was off his game on the first eighteen, taking a miserable 79, but he flashed the most dazzling golf of the day, shooting a spectacular 68, two under par, in the afternoon.

Bert Wilde, Bellingham pro, and defending champion, slipped six strokes over par on his first round and dropped four more in the afternoon to take 76-74—150.

Benny Cole, Vancouver, B.C., took 78-76—154.

## *Hunter Heads Qualifiers in Southern Zone*

LOS ANGELES, Aug. 3 (AP).—Willie Hunter, Montebello, Calif., professional and former British amateur champion, today led Southern California qualifiers for four places in the National Professional Golfers' Association championship, shooting 76-73—149 for thirty-six holes.

The other qualifiers were: Jimmy Costello, Inglewood, 75-77—152; Marvin Clawson, Los Angeles, 79-75—154; Ed Gayer, Los Angeles, 77-79—156.

## LACROSSE TEAM TO SEEK TROPHY

**Winners of Local Loop to Play in Cup Series on Mainland—League Opens August 12**

Definite plans were made at a special meeting of the Victoria Lacrosse League last night to place the winning team of the newly-formed loop in the Hartney Cup series on the Mainland. The trophy is symbolic of the provincial senior "B" championship, and the Island squad expects to make a great bid for the silverware.

Victoria's gutted stick merchants will travel to Sidney on August 12 to appear in the opening fixture of the league. The two teams will play a four-game series to decide which club will represent the Island on the Mainland.

With some old-time players and younger ones lined up, the local team, under Manager Jimmy McGregor, is rapidly rounding into shape and hope to take Sidney into camp in the opener.

Thursday evening at 6:30 o'clock at the Victoria West Park, the Victoria squad will hold a special workout, and all players and those interested in the game are asked to attend.

## KENT DEFEATS SOMERSET XI

LONDON, Aug. 3 (CP).—In a sensational cricket match today, Kent defeated Somersetshire by eight wickets. A. V. Freeman, Kent's veteran bowler, did the hat trick. In this the score was Kent 167, Somersetshire 67.

Closing scores in other first class matches were:

Surrey 361, Nottinghamshire 298.

Middlesex 208 and 68 runs for one wicket, Sussex 375.

Yorkshire, 484 for seven wickets, declared; Lancashire 160 for seven wickets.

Leicestershire 153 and 79 runs for two wickets, Northamptonshire 294.

Gloucestershire 262 and 280 for nine wickets, Hampshire 172.

Worcestershire 398; Essex 193. Followed on, 151 for three wickets.

Derbyshire 93 and 191; Warwickshire 300.

## ROSENBLOOM FAVORED TO KEEP TITLE

**Light-Heavyweight Champion Will Meet Slattery Tomorrow**

### CHALLENGER LOOKS SLOW IN WORKOUT

**NEW YORK, Aug. 3 (AP).—Jimmy Slattery, the Buffalo boxer, who meets Maxie Rosenbloom, light-heavyweight champion, in a 15-round bout Wednesday night at Ebbets Field, scarcely looked like the next titleholder today as he began tapering off at a midtown gymnasium.**

**For all his weeks of intensive training up at Speculator, the challenger appeared to be in none too good condition and made no particular impression on the fight fans and newspapermen who witnessed his brief workout.**

Maybe it was the heat or the effects of a prolonged session with photographers, but the Buffalo boy appeared to indifferent advantage against a pair of sparring mates.

**CHALENGER SLOW**

His midsection heavily encased in rubber and woolen padding, calculated to remove—or perhaps protect—a conspicuous roll of fat, Slattery boxed four easy rounds, neither giving nor receiving any punishment to speak of. There was nothing in the exhibition at any rate to affect the current odds of 6 to 5 on Rosenbloom.

In the midst of Slattery's workout there was a wild rumor that the champion was on his way to the gymnasium to get in a few licks at the punching bags and generally tune up for the defence of his title, but he failed to show. Rosenbloom, so far as anyone has been able to learn, has confined his training exclusivcly 'o night clubs.

Despite his indifferent showing today, Slattery appears confident he will lift Rosenbloom's crown Wednesday. He points out that he has gained the decision over the clowning Maxie in four of their six previous bouts. The sporting fraternity, however, remembers Rosenbloom was the victor when they met with the title at stake.

## *Oxford-Cantabs Take Big Lead In Net Series*

EASTBOURNE, England, Aug. 3.—Oxford-Cambridge today won five of the seven tennis matches played with Harvard-Yale in the annual Prentice Cup series to take a lead of ten matches to four with only one day of play and seven matches remaining. Oxford-Cambridge thus needs only one more victory to retain the cup it won at Newport, R.I., in 1928.

## *J.B.A.A. Will Hold Regatta On Labor Day*

WITH a large list of swimming, canoeing and rowing events carded on the lengthy programme, preliminary preparations were made yesterday by officials for the Labor Day regatta to be staged by the J.B.A.A. at the Gorge. When the last group of oarsmen flashes past the judges' stand the rowing season on local waters will come to an end and the sheils which have carried the J.B.A.A. oarsmen through to great victories will be stored away until the curtain goes up on the 1932 grind. Following the regatta, a carnival dance will be staged at the Shrine Auditorium.

## SIMMONS TAKES BIG SIX LEAD

**Athletics' Slugger Goes to Top of Select Half Dozen With Mark of .361**

Al. Simmons, seige gun of the champion Athletics, has come back to claim his own. After having watched various rivals set the pace most of the current campaign, the big outfielder who led the American League in batting last season, finally overhauled the last one yesterday and took over the leadership with an average of .361. In taking the lead from Babe Ruth, Simmons made three hits in seven times at bat against Washington, while Ruth was hitting only once in five trips. One of Simmons' blows was his seventeenth home run of the year. The leaders:

## PAR HANDED BAD LACING AT OAK BAY

**Phil Taylor Romps Over Sporty Layout in 61 to Create New Record**

### REGISTERS 27 ON OUTGOING ROUTE

**Old Man Par, who has weathered the onslaughts of some of the finest golfers throughout the Pacific Northwest on numerous occasions during major tournaments, was given a terrific lacing Sunday at the Victoria Golf Club when Phil Taylor, professional at the layout, romped over the sporty sea-bordering course in sixty-one, eight under perfect figures, for a new links record.**

Today Mr. Par was so badly battered that he was hardly recognizable. At the time of his feat Taylor was playing a friendly foursome with F. Peachey, W. H. Haidane and J. Harold Wilson. His clubs behaved in grand style, especially during the outgoing route, which he negotiated in 27, six below par. Coming home, Taylor continued his spectacular golf and knocked two strokes off par by finishing with 34.

Tayor's display on the first part of the jaunt was the best seen in these parts in the history of the game. His 27 is, without doubt, one of the most brilliant nine holes ever recorded. After caging a birdie four on the first hole, the Oak Bay pro was on his way to a new mark. Birdies flew from his bag on the third, fifth, sixth, eighth and ninth. He garnered a pair of deuces on the last two holes before heading for home.

With Old Man Par tossed into the deepest bunker, Taylor started the last part of the route, confident of estabishing a new mark. After parring the tenth and eleventh, he snatched his seventh birdie of the day at the long twelfth. He then shot four pars in succession before he helped himself to another below-par figure at the seventeenth and finished his great round with a par four.

Years ago when the course was shorter, Taylor registered a 61 but since then it has been lengthened and several new bunkers have been added. The amateur mark was set last week by Freddy Wood, of Vancouver, who galloped over the links in 66 while playing in an exhibition match.

Taylor's card follows:

**LAKE COWICHAN SOFTBALL**

LAKE COWICHAN, Aug. 3.—Softball is very popular here at present. Camp 10 (V.L. & M.) team came down to the Lake, only to be sent home with a 12-4 defeat. Youbou team motored down Sunday and handed the Lake team its first defeat of the year, 20-6.

# FAVORITES ADVANCE IN B.C. TENNIS MEET

## *No Upsets Occur in Opening Rounds of Provincial Meeting*

**Sectional Singles and Doubles Hold Spotlight as Curtain Goes Up on B.C. Championships—Edwards, Dranga, Prusoff and Neer Reach Semi-Final Bracket**

### Favorites Advance in Singles Play

**No upsets occurred in the opening rounds of the British Columbia tennis championships which opened yesterday at the Victoria Lawn Tennis Club with a record entry list. Eighty matches were run off in great form and the weeding-out process found all the favorites advancing, mostly with easy victories. Ideal weather favored the contestants.**

**Some brilliant tennis was witnessed in the Pacific singles and doubles and the semi-finals found two Seattleites, one Victorian and and a Portlander remaining in the singles. The quarter-finals were reached in the doubles.**

Commander Edwards reached the last four with two fine victories. In the first he defeated C. Hockley, Canadian junior champion, of Portland, in straight sets, then disposed of Jack Brawn, Vancouver, after a four-set match. Mel Dranga, Seattle, advanced to the semis with victories over K. May, Portland, and J. D. Campbell, Victoria, while Henry Prusoff, hard-hitting Seattle star, took H. Rosenberg, Tacoma, and R. McVeagh into camp in decisive fashion. Henry Neer, of Multonomah Club, Portland, easily defeated Preston McDonald, Seattle, in straight sets in his only match.

**SEMI-FINALS TODAY**

Today Prusoff will meet Dranga, while Edwards will tackle Neer for the right to enter the finals, which will be played today. Both matches are expected to be hard fought throughout.

The sectional doubles play provided a marathon when Nordstrom and Scott, Tacoma, eliminated Neer and May, Portland, 6-3, 12-10, 3-6, 6-3. The second set of this struggle produced some of the finest tennis seen here for some time, with some great volleying and bullet serving being produced by each pair.

The British Columbia men's singles programme went along without any great upsets, with all the favorites winning their matches in straight sets. John Murio, San Francisco Hawaiian, who holds several Northwest crowns, was given a tough battle by his townsfellow, S. Le Feill, but won out, 7-5, 6-4.

**CORFIELD ELIMINATED**

A mild surprise occurred when H. R. Robertson, Vancouver, eliminated W. E. Corfield, one of Victoria's aces, in a torrid three-set battle, 8-6, 10-12, 6-4. Robertson learned his tennis in Victoria and is playing a strong game, but the veteran Corfield was expected to come through.

Bob Witt, the junior champion of Seattle, dropped out of the picture when the veteran, H. S. Gray, Portland, defeated him in three sets. The youth took the opening set, but could not cope with the canny play of the veteran and dropped the next two and match.

Steve Jones gave his clubmate, Commander Edwards, a hard session before passing out of the picture, and tried all his variety of cuts against the city champion, but Edwards emerged a winner, 6-3, 6-6.

Mel Dranga, Lloyd Nordstrom, Wallay Scott, Joe Coughlin, D. M. Gordon, L. Driscoll, Bob Johnstone and Don Lewis were the other strong players to cop their opening fixtures.

**THREE WALKOVERS**

**Edith Cross, Canadian champion, of San Francisco, seeded No. 1; Marjorie Leeming, runner-up to Miss Cross in the Canadian tourney and seeded No. 2; Olive Wade, last year's Canadian titleholder and seeded No. 3, did not get into action yesterday in the women's singles, each advancing by the default route. Mrs. Dorothey Perow, another seeded player, won her match from Mrs. Sharpe easily.**

Marie McNab, Vancouver; the O'Shea sisters of Vancouver; Mary Campbell, a former champion; and Miss Burritt, Toronto; Mrs. Woodburry, Halifax, and Miss Currie, of Halifax, advanced with straight-set victories.

Jane Sharp, junior Canadian champion of Pasadena, scored a great victory over Mrs. R. B. Wilson, in one of the feature matches of the women's singles. Miss Sharp after losing the first set captured the next two, but was tested throughout.

Good progress was made in the men's and women's doubles.

## Doctor Dick's Letter Box

TIM MATSON

Photo by Cynthia Clayton

Dear Doctor:

I consider myself a good "catch." I don't particularly wish to get married, but women are continually throwing themselves at me, and I can't go on disappointing them forever. The trouble is, I'm intellectual. I read The Police Gazette and am a regular subscriber to The Calgary Eye-Opener, and it's going to be hard to find a girl that can come up to, let alone appreciate, my standards. I cannot sanction the thought of public whisperings to the effect that "Blatherly's wife is terribly handicapped by her husband's brilliance." Confidentially, where or how can I get something to at least half fill the bill?

In no hurry,

Clifford Blatherly.

Dear Clifford:

I can't understand how a man of your sagacity can ask me to try and solve the impossible. Be reasonable, Clifford. Men of your calibre should never marry. To begin with, no woman living is entitled to such a treat. How overwhelming—the ones that throw themselves at you! Just supposing one of them misjudged the distance and flattened out on the pavement! Can't you borrow a tennis racquet and half-volley a couple over to me?

I suppose the running-board of your car is a regular notion counter of bobby pins, slipper heels, torn stockings, imprints of passionate lips, etc.—mementos of the thousand frenzied flappers that hurl themselves at you, momentarily, from telephone poles and office windows?

Cut it out, Clifford—it isn't fair! Marry, for the sake of our daughters' safety—for the sake of the women of today. Marry a moron, marry your grandmother—but for heaven's sake, hurry; and put ten million women out of the agony of suspense—NOW!

Yours perspiringly,

Doctor Dick.

## O.C. TENNIS STAR MAKES FINAL ROUND

**Mrs. Shepherd-Barron to Meet Mrs. Van Ryn at Maidstone**

**BETTY NUTHALL IN DOUBLES WIN**

EAST HAMPTON, N.Y., Aug. 3 (AP).—Mrs. Dorothy C. Shepherd-Barron, captain of the British Wightman Cup team, and Mrs. Marjorie Gladman Van Ryn, of Philadelphia, gained the final round in the annual Maidstone invitation tennis tournament today.

Mrs. Shepherd-Barron's way to the final was reached with far less expenditure of energy than Mrs. Van Ryn's. The latter played five hard sets in singles, defeating Mrs. J. Dallas Corbiere, of Boston, 3-6, 6-3, 6-1, in the third round and Mrs. Marion Zinderstein Jessup, of Wilmington, Del., in the semi-finals, 6-4, 10-8.

The British star with the odd service stroke dropped the first set to Mary Greef, of Kansas City, but finally won at 4-6, 6-3, 6-2.

In all, Mrs. Van Ryn played seventy-five games today. After her singles matches she took the court with Josephine Cruickshank, Santa Ana, Cal., star, and lost in doubles to Sarah and Mianne Palfrey, the Boston sisters, 6-4, 7-5.

**STRONG OPPONENT**

Mrs. Shepherd-Barron encountered a serious and hard-hitting Miss Greef in their semi-final round match, and she won mainly because she mixed her driving game with a plentitude of lobs of varying length.

Miss Greef and Penelope Anderson, Richmond, Va., were at match point five times before they eliminated the Palfrey sisters in the doubles quarter-finals, 2-6, 9-7, 6-3.

Semi-final round survivors in women's doubles found both English combinations still in the field. Betty Nuthall and Phyllis Mudford gained the round before the finals by beating Alice Marble, San Francisco, and Dorothy Weisel, Sacramento, 6-1, 6-3, after which the other Britishers, Mrs. Eileen Bennett Whittingstall and Dorothy Round, eliminated Norma Taubele, New York, and Mrs. Jessie Spalding, East Hampton, 6-3, 6-2.

Tomorrow the Nuthall-Mudford team encounters Mrs. Jessup and Marjorie Morrill, Dedham, Mass., while Mrs. Whittingstall and Miss Round meet Miss Anderson and Miss Greef.

## *Orval Leach Wins Hidden-Hole Meet At Colwood Club*

Orval Leach captured the special prize donated by Alex Marling, professional at the Royal Colwood Golf and Country Club, in the hidden-hole competition by turning in a score of 18 1-3 for the six holes named. Right on the winner's heels came E. W. Ismay, who carded 19, while third place went to Dr. George Hall with 19 1-3. J. Hodgins was fourth with 20 and F. J. Hall took fifth position with 21. Several others turned in scores and were well bunched.

HAWRHORNE RACE TRACK, CHICAGO, Aug. 3 (AP).—Knight Commander, owned by James Norris, Jr., of Chicago, won the $5,000 added inaugural handicap, opening the Hawthorne season today, with Silverdale second and Brown Wisdom third.

Knight Commander, snatching victory by half a length, ran the six furlongs in 1:12 4-5. Ten started. Knight Commander paid $10.08 to win the mutuel. $6.04 to place and $4.06 to show. Silverdale paid $8.90 to place and $6.30 to show. The show price on Brown Wisdom was $5.24.

Coyle BATTERIES

A Good Report

"Our experience with the Coyle Battery both in its sale and the way it satisfies the customer, has been most pleasing. This battery always lives up to specifications and then some. We find it trouble-free, sure in delivery of power on call and surprisingly long-lived. For these reasons it is not difficult to account for the fact that we sell and heartily recommend the Coyle line."

## SURVEY SHIP STAFF FINDS MANY DANGERS

### Several Hundred Hazards to Navigation on West Coast of Vancouver Island Located by Hydrographers Under H. D. Parizeau, Chief Hydrographer for Pacific Coast

Necessary for the safe passage of shipping, there is no more important work now being undertaken by the Federal Department of Marine than that which pertains to the charting of the country's sea coasts. This is particularly true of the Pacific Coast of British Columbia, where, although the surveyors of the Royal Navy and the staff of the survey ship Egeria in days gone by charted many of the main ship channels and their approaches, the work was not complete, and great areas were scarcely investigated.

Now being carried out under the direction of H. D. Parizeau, chief hydrographer for the department on the Pacific Coast, the work of charting the Pacific seaboard is proceeding quietly and with a thoroughness which should enable the navigator of ships plying our coastal waters in the future to experience few, if any, difficulties. This work is going ahead as rapidly as weather and atmospheric conditions permit, the different phases being so arranged that there are no delays of any consequence, it being a rare day when it is not possible to carry on some part of the survey.

**FOUR UNITS ENGAGED**

Until the new survey ship, now in course of construction at Collingwood, Ontario, is commissioned for service on this coast, the craft engaged in the work consists of the Lillooet, and the houseboats Pender, Somas and Fraser. The Lillooet is engaged in charting the exposed sections of the coast, while the houseboats work in protected channels.

Since the beginning of this season's operations, the Lillooet and her staff of surveyors have, including other work, completed sounding over the area known as the "graveyard of the Pacific," between Bonilla Point and Capt Beale. This section, represented on the present Admiralty charts by less than two dozen soundings, was gone over carefully, the mileage of sounding lines covered by the survey ship aggregating 800 miles, representing 6,500 casts or soundings.

All doubtful casts and soundings were swept and examined at the entrance to the Eastern, Middle and Western Channels to Barkley Sound. The staff also observed all stations and marks from Amphitrite Point light, outside of Ucluelet Harbor, to Bare Island at the southern entrance to Ship Channel, Clayoquot Sound, as well as surveyed the coastline between Amphitrite Point and Leonard Island, making boat soundings over the entire area along Wreck Bay and Long Bay up to an average of four miles off shore.

The staff of the Lillooet also computed the observation, erection and marking of stations in Templar Channel, Broken Channel, Browning Channel, Hecate Passage, Ship Channel, North Channel and North Arm up to Cone Island, Clayoquot Sound, and is now engaged in sweeping and sounding off-shore in the vicinity of the same sound.

**PENDER'S STAFF BUSY**

The houseboat Pender has been located in Barkley Sound since the work began last Spring, her work being confined chiefly among the islands of the Broken Group, making headquarters at Port Effingham, Village Island, from where extensive boat soundings were carried out for the purpose of making a chart on a large scale. The Pender's next location was at Sechart, from where soundings of Sechart Channel and its approaches were made. The Pender is now anchored on the north shore of Puzzle Island, where the surveyors are completing the soundings amid the Broken Group. In addition to this work, the Pender's staff has been revising coast line plotted by aerial photography, and have completed the topography of the Broken Group of Islands.

The most important work carried out by the Pender had to do with numerous pinnacle rocks, shoals and doubtful soundings, all of which had to be examined by means of wire drags or sweeps. This work will be completed within the next ten days when the Pender will be towed to Clayoquot Sound and will finish the season there.

**SURVEYING TOFINO**

The Somas and the Fraser, forming one unit, were employed during the early part of the season on a large scale chart of Ucluelet Inlet and its approaches. The staff also revised the coast line of outlying rocks at the entrance to the Western Channel. The next work completed by the Somas and the Fraser was at Pipestem Inlet, where topography, coast lining and soundings were completed, as well as the general topography of Barkley Sound. Since July 1 these two houseboats have been anchored at the mouth of the Kennedy River, Clayoquot Sound, where the staff has been employed in building marks and stations, observing and computing data to start the survey of the coast line and sounding of Tofino Inlet.

Since July 27, the Department of National Defence has had an airplane stationed at Sproat Lake, from which base it will co-operate with the hydrographers in the survey of the West Coast, taking up the work where it was concluded last Fall; and as the atmospheric conditions permit this work will go forward.

**CHANNEL NAMED**

Altogether some hundreds of dangers have been located to date this year by the hydrographers, very few of which were found in the main ship channels. Among other discoveries was the fact that a good straight and deep channel has been located through the Broken Group, which will cut a considerable distance between Bamfield Creek and Ucluelet. This channel will be known in future as Thiepval Channel, because it was there that the Government ship sank in six fathoms of water after striking a rock, in January, 1930.

In the middle of Thiepval Channel is a group of rocks showing above high water and dividing the channel into two parts. The Thiepval struck a low water rock in the eastern part of the North Channel. The new channel is located to the south of this group of rocks and has been swept clear at six fathoms low water, so that ships of the size of the Princess Marguerite and the Prince David could navigate with complete safety between Bamfield Creek and Ucluelet through this passage in the thickest kind of weather.

## Now at Clayuquot Sound

HYDROGRAPHIC survey ship Lillooet, the staff of which is busy charting the waters of the West Coast of Vancouver Island. The Lillooet is in charge of H. D. Parizeau, chief hydrographer for the survey on the Pacific Coast, and is one of four units engaged in the work.

## ORIENT SHIPS DUE TOMORROW

### Empress of Japan and Yokohama Maru Arrive About Same Hour

Two transpacific liners are due to arrive here tomorrow, according to wireless advices received at the offices of the local agents. Coming direct from Japan ports, the Nippon Yusen Kaisha liner Ss. Yokohama Maru is due to reach William Head at 9 o'clock, which should bring her up to Ogden Point Piers about 11 o'clock. The Yokohama Maru has twenty-eight passengers aboard, including ten tourists and eighteen steerage. Seven steerage travelers will leave the ship here, the remainder being for Seattle. Freight for Victoria consists of 110 tons of general cargo, and for Vancouver 437 tons. Mail for the port includes thirteen bags of air mail and 167 bags of ordinary postal matter.

One hour later than the Japanese ship the Canadian Pacific liner Ss. Empress of Japan is due to arrive at William Head about 10 o'clock, in which event she will be alongside Rithet Piers shortly after 11 o'clock. The Empress of Japan, which is arriving from Far East ports via Honolulu, is reported to have a large list of passengers, many of whom embarked at the Hawaiian port.

## CAUGHT SHARK IN FISH NET

### Man-Eater Gave Fishermen Exciting Time Before Being Killed

CEEPEECEE, Aug. 3.—When the crew of the pilchard seiner Tatchu, in command of Captain Gus Hansen, were pursing their seine the other day just off Nasparti Inlet, they were amazed to see a huge head appear amid the pilchards, with the mouth wide open. They were not just sure what they had captured, but decided to take no chances, as their strange catch was showing signs of fight when it came near the surface, so they seized a pole three inches thick and rammed it down the open mouth as far as possible, hauling the fish onto the desk with the ship's tackle. It was found to be a man-eating shark about ten feet long, weighing nearly 500 pounds, and proved so strong and savage that it took the entire crew of seven men to handle it.

When, finally, they got it on deck, apparently exhausted, the shark suddenly became active again, biting angrily at the hardwood rail of the boat. It gave the men quite a fight before they finally killed it by decapitating it with an axe. When the boat landed at the plant of the Canadian Packing Corporation, Limited, at Ceepeecee, to discharge its cargo of pilchards, they had the complete set of the monster's saw-like teeth fastened to the rigging and the chewed pole and shiprail were visible evidences of the strength and savage nature of the unusual haul.

Captain Christiansen, a veteran West Coast whaling captain, states that it is only the second of its kind that he has heard of in these waters.

### CHEMAINUS SHIPPING

CHEMAINUS, Aug. 3.—Shipping movements in the port of Chemainuus have been brisk as usual during this past week, the following vessels having cleared:

Ss. Chehalis, Captain William Schade, arrived from Union Bay and cleared for Blaine, Wash., with three sections of logs; Ss. Crest, Captain J. B. Meagher, arrived from Seattle and cleared for the same port with nineteen sections of logs; Ss. Goliah, Captain C. G. Didrickson, entered from Port Angeles with empty fuel barges and cleared for the same port with barges filled with sawdust fuel; Ss. Burrard Chief, Captain J. Barlow, arrived from Port Angeles with boom chains and cleared for Oyster Bay.

Ss. San Julian, Captain G. V. Sparks, entered from Tacoma, and, after taking on a lumber cargo of approximately half a million feet, cleared for New Westminster, en route for Eastern United States ports; Ss. Trucilla, Captain A. B. Robson, entered from Sidney with freight scow in tow, and cleared for Vancouver.

Ss. Island Comet, Captain C. A. Coulson, arrived from Clam Bay, towing scows, and cleared for Victoria; Ss. New Era, Captain William Warren, entered from Cadboro Bay, towing scows, and cleared for Victoria; Ss. Canadian Northern No. 1, Captain J. Palmer, arrived from Port Mann with Canadian Northern Barge No. 109 in tow, and cleared for the same port.

**SHIPS DUE**

The motorship Raasvai is expected about Thursday of this week to load for Atlantic seaboard ports.

The Ss. King City is due about the end of the week and will pick up a cargo of lumber for the United Kingdom.

### VANCOUVER SHIPPING

VANCOUVER, Aug. 3 (CP).—Donaldson Line Ms. Moveria arrived over the week-end to Balfour, Guthrie & Co.

Ss. City of Vancouver has arrived to American Shipping Co. Ltd., and J. Coughlan, to load for Japan. She is owned by Mr. Coughlan. The ship was built at the Coughlan yards here.

Danish Ms. Kota Baroe, of the Silver-Java Pacific service, arrived here at 4 o'clock Sunday afternoon to Dingwall, Cotts & Co., to load for Straits Settlements and India. The ship came here from Portland, and will sail for Calcutta via Pacific Coast ports. She has an unusually varied assortment of freight from this port, indicating a marked increase in British Columbia export trade with Dutch East Indies and India.

# FINANCE - COMMERCE - MARKETS

## Early Gains on New York Market Not Maintained

NEW YORK, Aug. 3.—Stocks began the new week today with a show of spirit, but tired of the rally in the last hour, when much of the extreme advance, running from 1 to 3 points, disappeared.

Final prices, however, were higher for most principal issues, as the late selling was only half-hearted and failed to accelerate the sluggish pace of the earlier advance. Sales totaled 882,700 shares.

In the absence of domestic influences, it was assumed the smoothness with which German financial affairs appear to be running and the sustained recovery of the English pound had removed immediate causes of worry abroad.

**PREDICT RECOVERY**

Brokerage houses are counting on a recovery after Labor Day, although it is admitted the durability of any improvement will be the important point.

Market theorists were encouraged by the action of the rail shares, although the trading in that group was lifeless. New York Central got 3 points higher, but had to yield two-thirds of the rise. Union Pacific, Illinois Central, Baltimore & Ohio, Chicago Northwestern and Delaware & Hudson closed with gains of 1 to 2. New Haven and Nickel Plate preferred were up 3.

Steel shares showed fair vitality but final advances were fractional. American Can, Westinghouse and J. I. Case turned heavy toward the close, although Westinghouse recovered. International Silver dropped 8 on a few sales. Allied Chemical's 3-point advance will be cut in half. Standard Oil of New Jersey responded to declaration of the regular and usual extra dividend and there was a moderate amount of interest in other petroleum stocks on the strength of further crude price increases.

**NO INTEREST IN BONDS**

After active opening on a week-end accumulation of orders, trading in bonds slackened today so that a new record for dullness for this year and last was established.

Sales on the New York Stock Exchange totaled $5,906,000 at par values compared with $6,324,000, the previous low record for a full session, made on July 20.

On the whole, prices fluctuated about narrowly. German 5 1-2s and 7s were two of the new issues to show any activity, and they were constanly strong. Other obligations of that nation gained irregularly. Hungarian loans made perpendicular descensions to new low prices.

Notwithstanding the dullness of trading and narrow price changes among domestic corporate loans, an irregular rising tendency was noticeable among rails and public utilities obligations and industrial obligations generally lost fractions.

## PRODUCE MARKET

Following is the market news letter issued by the markets branch of the Provincial Department of Agriculture:

**AT VERNON**

Weather warm with temperature close to 100 degrees in shade. Release date of Wealthy apples will be between August 10 and 18, depending on continuation of hot weather and district shipping. Late peaches should roll in volume, starting with Rochester, from August 10 to 15; Vidette and Valiant a week later; Elberta and J. H. Hale about September 1. A very fine pack of tomatoes is being put up on the main line and we notice a greater care being taken in the pack from the valley. The volume of tomatoes being shipped will easily meet the demand this week and prices will drop consistent with the supply.

**AT CALGARY**

Fairly heavy arrivals of all kinds of berries this morning. Brokers intended advancing the price of raspberries, but too many arrived to accomplish this for Monday morning, so the price remained the same at $2.35 per crate. A good quantity of blackberries arrived and are selling at $1.50. About sixty-five crates of Everbearing strawberries were received and sold at $2.60 per crate. The quality of all berries was very good except the strawberries from Pitt Meadows. Apricots are about finished, Saturday arrivals being quite ripe. Peaches and plums declined 25 cents. The movement of these is very good. Bartlett pears are selling at $3.00 to $3.25. The first car of semi-ripe tomatoes arrived this morning and are selling at $1.25, delivered. All other items remained about the same. Weather is hot and dry.

**AT EDMONTON**

The market is very unsettled. There are heavy stocks of cucumbers in the warehouses being offered at 40 to 45 cents per box. The volume of field tomatoes is increasing rapidly and many are arriving too green, which, in the present state of the market, is having a bad effect. Several lots of corn have arrived, but very few of these are of commercial value, not 25 per cent are mature enough for table use. British Columbia apricots are plentiful; No. 1 is selling at $1.10 to $1.25; No. 2, at $1.00 to $1.10, and prune boxes at 85 to 90 cents. British Columbia and local potatoes are selling at $1.10 to $1.25 per hundredweight. Local new potatoes are being offered in car-lots. The onion market is firm. Local cabbage supplies are increasing daily.

**AT VANCOUVER**

Excerpt from report of the British Columbia Livestock Exchange, July 31—Cattle: There was no change in the cattle market this week. We would advise shippers not to rush half-fed cattle on the markets as the consumption of beef through the month of August is lighter than at any other time of the year. Hogs: The hog market dropped a half cent last week under comparatively low receipts. Feeder hogs are still in fair demand, but a premium price is difficult to obtain. Sheep: The lamb market dropped another cent during the week, making top lambs now worth 8 cents per pound. The lambs are of very good quality and we would strongly advise shippers to continue marketing their lambs when fat, around eighty pounds.

## NICKEL DECLARES TEN-CENT DIVIDEND

NEW YORK, Aug. 3 (CP).—A dividend of 10 cents per share on the common stock of the International Nickel Company of Canada, Limited, was declared at the monthly meeting of the board of directors this afternoon.

This dividend is payable September 30 to stockholders of record August 31.

It compares with a dividend of 15 cents per share in the first and second quarters of 1930.

## PIONEER GOLD MARKET LEADER

### Heavy Trading in Stock Features Vancouver Exchange —Oils Quiet

VANCOUVER, Aug. 3 (CP).—A movement in Pioneer Gold during the afternoon session was the chief feature of activity at the Vancouver Stock Exchange today. The market threatened to fall back a pace earlier in the day, the closing of Toronto markets reacting unfavorably here.

Sales total amounted to only 11,195 shares, Pioneer accounting for 3,050. Reports from the Pioneer Mine tell of a bright outlook and this stock has been fairly well in demand for some days. Today's price hovered around $2.25. One lot of 100 sold for $2.26, and fifty shares brought $2.30.

Lorne Gold had a turnover of 4,000 shares at 8 cents, and Premier had three small transactions at 60, 63 and 65 cents.

The oils were quiet, the only feature being the downward movement of Home Oil, which closed at 43 cents. Earlier in the day one lot of 100 shares of Home brought 45 cents.

Three odd lots of International Nickel were traded at a steady $12.50.

## Huge Issue of Bank Notes Great Aid at Start of Vacations

### Close Connection Between Opening of Summer Season and Action of Financial Institution Explained by Correspondent

By NEGLEY FARSON
(Copyright, 1931, by The Chicago Daily News Foreign Service)

LONDON, Aug. 3.—Today is a bank holiday in England, marking the official beginning of the Summer season. London is like a dead city—all the nation is at play in the country and at the seaside.

King George and Queen Mary are yachting at Cowes, Prime Minister Ramsay MacDonald has flown to his home in the hills of Scotland; Parliament has disbanded, the common schools closed last week—and Saturday the Treasury authorized the Bank of England to increase its fiduciary note issue by £15,000,000 ($72,900,000).

**CAUSE OF ISSUE**

It is interesting to point out that this dramatic increase in the note issue at this time actually has more connection with the British holiday spirit than with the alarming international financial complications. The explanation is simple. The fiduciary issue is that portion of the total note issue which is not protected by a specific backing of gold or its equivalent—all other Bank of England notes must be covered by actual gold. That is the system of the British gold standard, which is radically different from the fixed percentage to note circulation maintained in other gold standard countries.

The normal note circulation in England is around £350,000,000 ($1,701,000,000). The best holidaying want plenty of good Bank of England notes to spend for car fare and at hotels and bathing beaches. Last week more than 10,000,000 extra notes were demanded. During the month of August the total note circulation often reaches the sum of £380,000,000 ($1,846,800,000).

**NORMAL AMOUNT FIXED**

The normal fiduciary issue is fixed at £260,000,000 ($1,263,600,000). It has now been increased to £275,000,000 ($1,336,500,000). Subtract that from £380,000,000 ($1,846,800,000) and it leaves £105,000,000 ($510,300,000). All of which must be covered by gold in the hands of the Bank of England. But the French gold rush against the British pound sterling reduced England's gold reserve to £133,000,000 ($646,380,000). This, minus £105,000,000 ($510,300,000) needed to cover the excess above the fiduciary issue, leaves England during the holiday a note demand of only £28,000,000 ($163,080,000) to meet a possible renewed foreign gold drain. And in the three weeks after July 13, foreign countries drew more than £32,000,000 ($155,520,000) out of London in gold.

**LEAVES GOOD BALANCE**

Hence the visits of Sir Robert Kindersley, a director of the Bank of England, to Paris, and hence the relief of the British because the French and American central banks are prepared to give credit for another £50,000,000 ($243,000,000)—if needed. This, together with the residue gold in the Bank of England after meeting requirements covering the note issue for August holidays, will see Great Britain with some £78,000,000 ($379,080,000) to balance her international payments.

One of the things bringing something like a real holiday spirit to British bankers is the fact that during the last dangerous three weeks, when for days the pound fell below the gold mark, New York bankers, who could easily have made a handsome profit in gold arbitrage, refused to take advantage of the financial difficulties of the Bank of England. The good will which America inspires by this consideration in England is beyond calculation.

# Local Tug Company Builds Large Scow In Novel Fashion

## Starts Construction on Deck of Floating Barge and Launches It When Partially Completed—Finishing Work While Scow Floats

For some days past the hammering of caulkers' mall. on driving irons has been attracting attention to the waterfront between the dock of the Island Tug & Barge Company and the old Kingston wharf, where the Ss. Salvage King is moored. On Monday of last week, following the yearly practice of this company, the building of the first of two scows was started. Ordinarily these scows have been constructed on regular marine ways or in the water, but in this instance the new scow, which is over ninety feet in length and will have a carrying capacity of 600 tons when finished, was commenced on the deck of another scow, the stanchions of which were removed from one side to facilitate the construction of the freight carrier.

When the bottom and two strakes of the sides and ends had been set, greased skids were prepared and the floating scow flooded with sea water until its deck was nearly level with the surface of the harbor. This enabled the workers to launch the portion of the scow ready, an operation which provided considerable interest to onlookers who congregated on Wharf Street to watch the progress of the work.

The Island Tug & Barge Company expects to finish the scow by the end of the month. Material used in constructing the craft will aggregate 100,000 feet of lumber, the timbers for the sides being especially selected and cut, and are all in one piece, ninety-one feet long and 34 x 10 inches sized. The work is now ready for the cross logs, and these will be placed today.

All the woodwork is being treated with a special preparation manufactured by the B. A. Paint Company to check dry rot. The scow is being built to the usual specifications of the tug company.

# OPPORTUNITY TO WELCOME SKEENA

## Secretary of Navy League Announces Excursion for Friday Afternoon

In order to give everyone the opportunity of extending a welcome to the Canadian destroyer, Skeena, which is due to arrive off Race Rocks at 3 o'clock on Friday afternoon from England via Halifax, Captain Alcock, the secretary of the Victoria and Island branch of the Navy League in Canada, has secured the Ss. Princess Marguerite for the purpose of conducting an excursion to meet the ship when she arrives off the lighthouse. The Princess Marguerite will leave the Belleville Street docks of the Canadian Pacific at 1:30 o'clock on Friday afternoon, returning at 5 o'clock.

In connection with the arrival of the Skeena, Captain Alcock pointed out that the late Engineer-Commander G. P. Clarke, who was overseer during the construction of the destroyers Skeena and Saguenay, was to have been appointed to the former ship when commissioned. Commander Clarke was well known here, where his family is at present residing.

## *Broke Former Record*

MONTREAL, Aug. 3.—The Empress of Britain early this morning steamed into Father Point from Cherbourg in exactly four days and a half, thereby breaking her own westbound Atlantic record by half an hour. The ship also clipped several hours off her Southampton-Quebec record.

## *Local Aviator Damages Plane Landing at Duncan*

DUNCAN, Aug. 3.—The first airplane crash in the history of Duncan occurred here yesterday afternoon, when a monoplane, driven by Ernest Eve, of Victoria, met with a slight accident in coming to earth. Owing to haying operations in the field usually used for landing, an adjoining field was used. Just as the plane was coming to a stop, one wheel got caught in a post hole, smashing the propeller and damaging the undercarriage slightly. The craft was a seventy-horsepower low-wing monoplane, built by the Northwest Aircraft & Motor Corporation, and equipped with a Le Blond engine. The damaged craft was brought in by Gray Brothers' wrecking truck, and is now undergoing repairs at Anderson's Motor Works, and is expected to be ready to take the air again on Wednesday.

# NOVEL TOUR IS ARRANGED

## Steamship Company Will Show Industries as Well as Beauties

VANCOUVER, Aug. 3.—Something new in sea trips, the special twelve-day cruise of British Columbia and Alaska waters by Ss. Princess Alice, of the Canadian Pacific coastal fleet, from here, August 11, is being supported by an almost capacity list of passengers drawn from all parts of the United States and Canada and including professional men, manufacturers, society women and internationally-known writers. To date more than 200 are signed up for the trip.

On this special tour, arranged for the first time this year, travelers will be taken in leisurely fashion along the far-flung frontiers of the hectic gold rush, with trips ashore to inspect pulp and paper mills at Ocean Falls and Powell River, placer and quartz mining operations, salmon canneries, fish oil production plants and copper smelters. The tour's purpose is to reveal the immense natural resources of a country best known, it seems, for its tourist attractions.

**OFF BEATEN PATH**

Far off the beaten path of regular Alaska steamers, the Princess Alice will visit Mackenzie Rock, in Dean Channel, historically famous as the spot where stood Alexander Mackenzie to catch his first glimpse of the Pacific after being the first through Canada by land, in 1793; call at Sitka, old Russian capital of Alaska in days when the czars ruled the land of the midnight sun; and put in at Stewart and Anyox, to view operations of the famous Premier and Granby mines.

Educational in its aims, the cruise is being made possible through the co-operation of cannery, mine and paper mill officials who are arranging conducted tours over their respective enterprises.

## *Will Be Curtailed*

OTTAWA, Aug. 3 (CP).—"Between now and August 15, there will be a curtailment of air mail service in Western Canada and other parts of the country," Premier R. B. Bennett announced in the House of Commons today. The question was raised by C. R. McIntosh, Liberal, North Battleford.

## MAKES GOOD PROGRESS

MOSCOW, Aug. 3 (AP).—Amy Johnson, British woman flyer, on the way from England to Tokio, landed at Chita at 7 o'clock yesterday evening and took off on the next leg of her journey at 11:30 o'clock the same night.

## *Southbound Tonight*

On her way south to California ports, the Pacific Steamship Company's liner Ss. H. F. Alexander will arrive from Seattle at 9 o'clock this evening, and after embarking local passengers will clear for San Francisco, her first port of call, at 11 o'clock. Local offices of the steamship company report the H. F. Alexander as having a capacity list of passengers booked for the voyage south.

## *Aviator Killed While Training For Great Race*

DESENZANO, Italy, Aug. 3 (AP).—While training for the Schneider Cup races over Lake Carda yesterday, Capt. Giovanni Monti, flying a high velocity plane, plunged into the lake and was killed. The cause of the accident has not been ascertained. It is believed the plane was making nearly 200 miles an hour when it crashed. Captain Monti participated in the 1929 Schneider Cup races.

# MATE OF ROYAL YACHT DROWNED

## Tragedy Mars Opening Day of Regatta Week Being Held at Cowes

COWES, Aug. 3 (AP).—The King witnessed a tragedy today when the second mate of his own yacht, Britannia, was swept overboard and drowned while the yacht, with His Majesty aboard, was on the way to participate in the opening race of the Cowes Regatta.

It was a boisterous day, with a choppy sea, and the yachts were running close reefed at great speed. Suddenly it was noticed from the shore that the Britannia had hove to, her head to the wind, as the cry, "man overboard," was raised.

Sir Thomas Lipton's Shamrock also hove to, and other boats rushed to the vicinity. The Britannia's crew tossed a lifebuoy, but the seaman could not reach it and disappeared before boats could get to him. His name was Ernest Friend. He was married and had four children.

The race was called off, the King returned to the royal yacht Victoria and Albert, and flags were half-masted on all the vessels gathered for the regatta. The Queen also witnessed the accident from the Victoria and Albert.

## SPEED BOATS DESTROYED

HYTHE, England, Aug. 3 (AP).—Several famous speed boats, including Miss Britain I, winner of this year's and last year's Detroit News Trophy, were destroyed by fire today on the premises of the British Power Boat Company.

## DRAGON GOES NORTH

VANCOUVER, Aug. 3 (CP).—After a busy period in Vancouver, H.M.S. Dragon, Captain E. J. Spooner, D.S.O., R.N., steamed out of Lions Gate at 8 o'clock this morning. She is bound for Prince Rupert.

**DIES FROM INJURIES**

VANCOUVER, Aug. 3. — John Robson died in St. Paul's Hospital Sunday from burns received, Saturday, while he was cleaning a switch at the Haro Street substation of the B.C. Electric Railway Company, where he was the operator. An inquest will probably be held this afternoon.

# BRENTWOOD CUP TAKEN BY MIKO

## Yacht of Col. E. R. Tooley Finished Exactly on Hour Set

Arriving at Bedwell Harbor, South Pender Island, exactly on the hour, Colonel E. R. Tooley, in his motor yacht Miko, won the race for the Brentwood Cup on Saturday afternoon last from a field of eight starters. The race was one of the yacht fixtures of the Royal Victoria Yacht Club, and proved the closest and most exciting of all contests for the trophy to date, the first five boats to finish arriving within three minutes of the time set, attesting to the close navigating of the various skippers, who had to figure engine speed and tide currents.

The secretary of the Royal Victoria Yacht Club, Major H. W. Rowson, started the boats from the club float at Cadboro Bay at intervals at the option of the boat skippers, and they finished in the following order: Miko, 6 o'clock; Vouloir, Dr. T. Mercer, 6:58:20; Sokum, Captain A. Lane, 5:58:10; Querida, Dr. W. J. Gibson, 6:03; Swickley, J. W. Benning, 5:58; Vagrant, W. Adams, 5:36. Iola, Vice-Commodore F. Robertson, developed engine trouble and was towed in by Allen, Commodore F. A. Lindsay.

Arriving at Bedwell Harbor, the Victoria yachts were joined by the fleet of the Cowichan Yacht Club, the combined crews being entertained at the home of Colonel D. B. Martyn in true yachting style, everybody having an enjoyable time.

On Sunday evening the boats returned to their anchorages at Cadboro Bay and Cowichan, after the combined fleets had earlier in the day tendered the customary yachting formalities to Commodore F. A. Lindsay, who sailed for up-coast points on an extended cruise, his destination being Princess Louisa Inlet.

## *Cubs Give Up Idea Of Getting Shires*

CHICAGO, Aug. 3—Charles Arthur (the Great) Shires, probably will be back in the major leagues next season, but not with the Chicago Cubs.

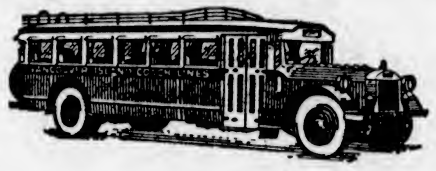

President William L. Veeck today said the had virtually given up the idea of buying the first baseman from Milwaukee, of the American Association, which is said to want $35,000 and two players for such a deal.

## *San Francisco Due to Arrive For Short Stay*

ON her first visit to Victoria, the liner San Francisco, of the Hamburg-America Line, from Europe via California ports, is due to arrive here tonight at 8 o'clock, according to a wireless message received from her master by King Brothers, local agents of the company, last evening. It is not known how long the ship will be in port before proceeding to the Mainland with passengers and cargo.

**TO SHOW THE WHITE FEATHER**

To say of anyone that they showed the white feather is to brand them, figuratively, with the bar sinister.

For, to show the white feather is, in the metaphor of our idiom, to be guilty of cowardice, to cower under the influence of unworthy fear, to give up the struggle while our energies are yet full and our strength not entirely exhausted.

But, you may inquire, what has all this to do with "white feather"? The answer is enlightening. For it takes us back to the days when cock-fighting was not the discredited sport that it is today, and when every fan knew that white feathers in a game cock's tail were a "dead giveaway" of impure breeding.

"Where is your licence to carry firearms?"

"What firearms am I carrying?"

"That cigar."—Hummel, Hamburg.

## POPULAR STAR IN CAPITOL COMEDY

**Victor McLaGlan Co-Featured With Jeanette MacDonald in "Annabelle's Affairs"**

One of the most highly amusing scenes in "Annabelle's Affairs," the Fox comedy which opened yesterday at the Capitol Theatre, with Victor McLaglen and Jeanette MacDonald co-featured, involves Roland Young and Sam Hardy, two of the outstanding comedians of the screen.

Young portrays the role of Roland Wimbledon, a young millionaire, fond of his tipple, while Hardy enacts the role of his butler.

**PLAYHOUSE THEATRE** One of Hollywood's latest innovations—the divorce party—makes its screen debut in "Men Call It Love," now showing at the Playhouse Theatre, with Adolphe Menjou in the featured role. Not so very long ago a popular couple actually staged a huge party by way of announcing their divorce and Edgar Selwyn grasped the idea as an opening in the new film drama, a picturization of the Vincent Lawrence stage hit.

**COLUMBIA THEATRE** Five thousand people in Hollywood journeyed out to the Midwick Country Club, near Hollywood, recently, to watch the filming of the cricket sequence in Ronald Colman's "Raffles," showing at the Columbia Theatre today. This episode furnishes one of the highlights for Mr. Colman's greatest adventure film based on the exploits of one of England's greatest crime geniuses. In support of the star appears a well-known cast, including Kay Francis and David Torrence.

**DOMINION THEATRE** The popularity of the Sherlock Holmes stories is a fine tribute to the talented author who fashioned the sleuth of Baker Street and set him difficult problems to solve. More crime and mystery fiction is read today then ever before, but Sherlock Holmes remains the biggest and most popular of all. In "The Speckled Band," now showing at the Dominion Theatre, he tackles a difficult problem, solving it cleverly with uncanny instinct.

**COLISEUM THEATRE** The Coliseum is drawing capacity houses for the new English picture, "Lord Richard in the Pantry." Victorians will want to renew acquaintance in the celluloid of Richard Cooper, after remembering his perfect performance of the same role on the stage of the Royal Victoria about three years ago with the Brandon Thomas Co. Since those days he has attained the dizzy heights of stardom in British pictures and his fame has spread abroad to the Continent and now Canada has the opportunity of seeing and hearing him in another medium.

## FAMOUS SWIMMER DROWNS PRACTISING

KELOWNA, Aug. 3.—A drowning accident Sunday took the life of Henry Murdock, twenty-three, of Okanagan Mission, crack mile swimmer of the Okanagan and entrant in the forthcoming regatta here.

Murdock was practising for the mile swim, and was escorted by John Acland in a rowboat. Acland, who was slightly ahead, bent down to light a cigarette, and when he looked up Murdock had disappeared. Acland made frantic efforts at rescue, diving several times, but the body went down in about 250 feet of water and so far has not been recovered, although dragging was carried on all day Sunday.

Lawyer—Now sir, did you, or did you not, on the date in question, or at any other time, previously or subsequently, say or even intimate to the defendant or anyone else, whether friend or mere acquaintance, or in fact, a stranger, that the statement imputed to you, whether just or unjust, and denied by the plaintiff was a matter of no moment or otherwise? Answer, me, yes or not.

Witness—Yes or no what?
